Unbeatable Benefits!

- Transfer Theme Community
- Close to classes and parking
- Multiple resident events
- Live in a safe and secure community
- Live-in staff available 24/7

Did you know?

Housing & Residential Education provides multiple job opportunities for our on-campus resident students!

Four Villages...One Community

SANTA ROSA VILLAGE: Home for our first-year students in mostly double-occupancy bedrooms. Each floor contains a family room, study room, all-gender restroom, and shared gender-specific restrooms.

SANTA CRUZ VILLAGE: Housing for sophomores, and upper-division students. Suites include two bedrooms, one bathroom, and a separate vanity/sink. Suites are generally shared by four students in mostly double-occupancy bedrooms.

ANACAPA VILLAGE: Apartment-style housing for upper-division and transfer students. Each apartment offers four bedrooms, two bathrooms, living room, and kitchen. Apartments are shared by four to six students in single- and double-occupancy bedrooms.

TOWN CENTER: This small upper-division community is occupied primarily by CSUCI returning students. Accommodations include studios, one-bedroom, and two-bedroom apartments with mostly double-occupancy bedrooms. Each apartment includes a full kitchen, living room, washer/dryer, and bathroom.

Important Housing To-Do Items

- Submit campus Intent to Enroll, pay Orientation fee, & select Orientation date.
- Submit Housing application for priority room assignment by priority application deadline, including \$500 deposit.*
- Pay all tuition & Housing payment balance by the mid-August deadline, or sign up & pay the first installment of the payment plan.

*Deferral of deposit available to eligible students based financial aid eligibility.

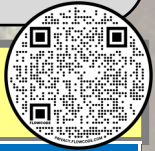

Transfer Community: This community is designed specifically with the Transfer student in mind. This community focuses on transitioning the student in CSUCI and is open only to transfer students. Students interested in this community should select it via the drop-down list on their student housing application. Students participating in this community will be assigned to Anacapa Village in either a double or single bedroom accommodation.

Theme Communities (TC)

Students with common interests live together and engage in extra-curricular activities aligned with a CI Mission Pillar without a structured academic focus.

Housing Rates**

**Please review the License Agreement for all current housing rates.
