

## International Baccalaureate (IB) Credit 2006 and 2007 Exams

Course and/or free elective credit is based on passing scores received on the exams. IB exams at the Higher Level (HL) passed with a score of 4 or higher will earn six (6) units of semester credit (including any labs) except where otherwise noted. Exams passed earn a grade of credit (CR) and are not calculated into the GPA. Extension of credit is reviewed in a five year cycle, however it is subject to change as CSUCI curricula is subject to change.
