

Announcements from the Dean's Office
Tuesday, October 7, 2008

1. Drops and Complete Withdrawals-The Registrar's Office receives many drop forms after the deadline. It has come to our attention that 1/3 of these drops are for questionable reasons. "Serious and compelling" reasons are necessary with documentation.
2. Reminder: Thursday, Oct. 30, 8:00 am Faculty Breakfast and Discussion: Interdisciplinarity and the Sciences with Nalini Nadkarni.
3. High School Senior Day will be this Saturday, October 11th. This has replaced Open House.
4. Attached is a spreadsheet of Open University Income (this does not include Special Session degrees). It is expected your income for 08-09 will be similar to 07-08.
5. In the last few weeks the Dean's Office has received request for historical data. Attached is a spreadsheet of FTES, Instructional FTEF and SFR for programs.
6. Campus Conversation – a presentation with Provost Dawn Neuman will take place on October 14 between 2:30-4:30 pm and again October 22 between 2:30-4:30 pm. Please encourage all faculty to attend.
7. Program By-Laws and Strategic Plans due by Nov. 1st
8. The campus will receive more information about the CSU and the Compass Project. This will have implications for GE and student success. Please check the following link for more information: <http://www.aacu.org/compass/index.cfm>
