OFFICE OF THE VICE PRESIDENT FOR STUDENT AFFAIRS

The purpose of the Office of the Vice President for Student Affairs is to recommend policies and procedures that will ensure a coordinated delivery and assessment system of student programs and services throughout the Division of Student Affairs (DSA), which includes Enrollment Services, Student Life, Housing and Residential Education and Athletics and Campus Recreation. This includes a comprehensive clearing system which tracks and reports budgets and expenditures; implements or manages special projects; produces and distributes internal and external student communication; and hires, trains and provides staff development for the DSA. The Office of the Vice President for Student Affairs, in its support of the educational mission of the institution, also provides co-curricular education initiatives while coordinating program assessment and evaluation for all units within the Division.

ASSOCIATED STUDENTS INCORPORATED

Various programs, services and support are provided through the area of Student Life for the day-to-day functions of ASI. All registered students are members of ASI and pay both an associated student fee and a student body center fee as part of their registration.
