

Welcome to the California State University Channel Islands ALUMNI & FRIENDS ASSOCIATION

Alumni & Friends Mission

The mission of the California State University Channel Islands Alumni & Friends Association is to create tradition, foster loyalty, and enhance relationships among University students, alumni, faculty, staff, and friends.

Who Are CSUCI Alumni?

All students who have taken classes at CSUCI are part of the University alumni family. You do not need to have graduated to become eligible.

Who Are CSUCI Friends?

Friends are those individuals who are not alumni of CSUCI, but who would like to become involved with the University and participate in Alumni activities. Friends who join the Association will also enjoy many of the benefits offered.

Alumni & Friends Association

The Alumni & Friends Association is a University Foundation organization that creates University traditions, fosters University loyalty, and enhances and strengthens relationships among alumni and students, faculty, staff and community members. We encourage participation in the life of the University as a student, a graduate, and as a friend of CSUCI.

"We are committed to building an association that will inspire all our members to stay connected and excited about the developments of the University. We look forward to celebrating and honoring the achievements of our alumni. We believe that the growth of our CSUCI family and the success of our graduates will serve as a direct reflection of the strength of Channel Islands."

— Yvette Bocz,
A&F President

How Does Joining Alumni & Friends Benefit Me?

As a member of the Alumni & Friends Association, you will receive many benefits including career enhancement opportunities, University and off-campus discounts, and connection to University friends. Currently, the Association offers continued library access after graduation, discounts at the University student store, and special invitations to University and off-campus events such as our recent event, Dodger Night.

As our Association continues to grow, we will offer networking opportunities, additional discounts, and a directory of alumni.
