ACTIVITY TITLE: Serve it UP
DATE (S) OF ACTIVITY: Fall 2016-Spring 2017

Please submit via email to the IRA Coordinator along with any supporting documentation at david.daniels@csuci.edu within 30 days after the activity.

Thank you for your commitment to engaging our students!

A. ADDRESS THE FOLLOWING QUESTIONS:

(1) PROVIDE A DESCRIPTION OF THE ACTIVITY:

The Center for Community Engagement, Retention, Outreach, and Inclusive Student Services (ROI), Veterans Affairs, and the Multicultural Dream Center have collaborated on a cross-divisional initiative to contribute to building a culture of service at CI. Serve It Up is a year-long program that provides the CSU Channel Islands community with service opportunities throughout Ventura County. The initiative involves signature service days created and implemented by student leaders, our kick-off event begins at Freshman Orientation (IRA monies did not go toward orientation service event). Events take place off-campus at various community organization sites. All participants are provided with a Serve It Up t-shirt, reusable Serve It Up water bottle, lunch, bus transportation and an engaging day of service and learning within the local Ventura community.

The service events included:

Student Service Summit: Saturday, August 26, 2016

- The 4th annual Student Service Summit's primary focus is to aid student success by assisting incoming first year and transfer students with a successful social transition in the first week of school. New students can network with peers in a purposeful way, learn the value of community engagement, meet student leaders and staff members, and gain exposure to campus culture.
- **United Way Day of Caring: Saturday, September 17, 2016**
Each year, the CI community participates in United Way's annual Day of Caring, an event which brings together thousands of volunteers to help nonprofit organizations. This year, President Beck joined CI volunteers at the Boys and Girls Club of Camarillo to paint the interior of the building before the children returned for the school year. After completing this huge painting project, participants engaged in a reflection activity while enjoying a meal together.
- **Veterans Day of Service: Friday, November 4, 2016**
In collaboration with the Veterans Affairs offices, students, staff and faculty volunteered at The Abundant Table, a local organic farm that promotes sustainability. Students learned more about the farming community by actively weeding and harvesting seasonal vegetables with farmers in the field. After serving together, volunteers enjoyed lunch while listening to an immigrant farmer share her story about the agriculture industry.
- **Dr. Martin Luther King Jr. Day of Service: Friday, February 24, 2017**

CI volunteers celebrated Dr. Martin Luther King Jr. by participating in a service day at FOOD Share. This local food bank feeds over 74,500 hungry Ventura County residents a month and CI volunteers contributed to this mission by sorting cans and food items to be distributed to families in need.

- **César Chávez Day of Service: Friday, April 21, 2017**

To remember the life and work of César Chávez, our final service day was spent at Community Roots Garden, a local organic garden run by the Oxnard community. CI volunteers partnered with 3rd graders from Barbara Webster Elementary in Santa Paula to participate in harvesting, weeding, and composting activities. After enjoying lunch together, the group reflected on their own role in making the community a better place.

For each service day participant's received a Serve it UP t-shirt, rode the Roadrunner shuttle together, shared a meal and participated in reflection activities. This initiative created a cross-divisional community engagement collaboration that 1) contributes to building a culture of service at CI, 2). creates an opportunity to become a aware of local issues, 3) contributes to making a difference in the community 4) creates a community among CI students, 4). brands service as altruistic adventurism.

(2) HOW DID THE ACTIVITY RELATE TO A COURSE(S) AND/OR LEARNING OBJECTIVES?

This activity links to the institutional mission-based outcome of many UNIV courses, but specifically to UNIV250. The learning objectives for this course included: mission-based outcomes): Sophomore Seminar. The learning objectives for this course include: - Take individual and collective actions which can address issues of public concern - Deliberate with others and present arguments clearly, logically, and creatively This activity will provide students an opportunity understand a community issue or needs, learn more about what non-profits are doing in our community and, through reflection circles, be able to speak about their community experience

(3) WHAT DO YOU SEE AS THE STRENGTHS OF THE ACTIVITY?

Placing students in the community
Building community through service
Introducing students to community leaders
Variety of service projects.
Campus – community involvement/ community impact
Creating sustainable community partnerships
Providing an opportunity for students to serve alongside each other and meet other students.
Cross-divisional collaboration allowed us to leverage resources.
Having a bus to transport all the participants
Opportunity for our student leaders to create and lead a campus activity.
Students are learning and serving through the mission.

(4) WHAT WOULD YOU SAY ARE/WERE THE ACTIVITY'S WEAKNESSES?

The date of Dr. Martin Luther King Jr. Day proves to be a challenge. We try to set the date close to this service day; however students are just coming back from winter break, so getting students to RSVP for this event continues to be a bit of a test.

(5) HOW WOULD YOU IMPROVE THIS ACTIVITY FOR NEXT TIME?

This activity is working very well. Many areas are contributing and we have lots of student involvement in the planning, marketing and execution of the service days.

(6) WHAT DID YOU LEARN FROM THE PROCESS?

The CI community is eager to get out into the community and serve. What begins as a quiet ride to the service site always ends up being a lively bus ride back to CI many spoke about continuing to serve the community.

(7) WHAT ARE STUDENT RESPONSES TO THE ACTIVITY? ATTACH STUDENT EVALUATIONS OR ASSESSMENTS (IN ACCORDANCE WITH FERPA RESTRICTIONS YOU MUST REMOVE ALL PERSONALLY IDENTIFIABLE STUDENT INFORMATION)

SEE E-FILES.

8) GIVE A SUMMARY OF EXPENSES FOR THE ACTIVITY (DO NOT INCLUDE ACCOUNTING STRINGS)

SEE E-FILES.

B. ATTENDEE LIST- SUPPORTING DOCUMENT:

In addition to the report form, *in a separate document*, attach to your email a list of attendees complete with each student major and grade level. This for IRA Committee reference only and will not be published on the IRA website. Include your name and the title of your IRA activity on the document.

C.IMAGES FROM ACTIVITY:

Please embed 3-5 images in this document (or attach in .JPEG format) that demonstrate student participation with captions/titles.

See poster attached. The poster was displayed at the CCE's annual Celebration of Service poster session and event on Thursday, May 4, 2017. Students who participated in some of the service days stood by the poster and spoke about their experiences.

Student Reflections

"I learned how FOOD Share receives donations to be distributed to pantries throughout Ventura County. I was amazed by how many people are able to be fed in our county."

"I learned about the impact we can have on children's lives in just one day and the significance of the Boys and Girls Club to the community."

"Working with local children adds another dimension that makes the experience more fulfilling. We need to keep building these positive relationships within the community. I am proud to be a part of such a caring campus!"
