ENDOWMENT INVESTMENT SUMMARY FOR QUARTER ENDING JUNE 30, 2023

INVESTMENT PHILOSOPHY

The purpose of this statement is to establish clear investment policies and objectives of managing assets that the CSU Channel Islands' Foundation Board of Directors can understand, the Finance and Investment Committee can use as a goal to monitor against, and the Foundation's investment advisors can use for guidance. This statement is flexible to allow for changing economic conditions, for evaluating investment performance, and policy procedures.

The objective is to promote growth in the investment funds sufficient to offset normal inflation as measured by the Higher Education Price Index (HEPI), plus ensuring reasonable spending, thereby preserving the constant-dollar and principal for future generations, operating cash and reserves, while producing market-level income. The Foundation seeks to invest with fund managers who have incorporated ESG (Environmental, Social and Governance) and SRI (Socially Responsible Investing) principles in their investment process. The minimum total-return objective for the Permanently Restricted Endowment Net asset class shall be HEPI plus 5%. The Investment Policy will be submitted to the Foundation's Board of Directors periodically for review and recommended changes. Review will occur at a minimum of once every three (3) years.
