

CENTRIA UNIVERSITY of Finland

Ready to venture out to the northernmost country in the world after Iceland for one school semester, or a whole academic year?

WELCOME TO THE LAND OF 1,000 LAKES! Finland is a country that offers students many unforgettable experiences they will never experience anywhere else in the world. Centria University (COU) is located in western Finland, in northern Europe. The university is a multidisciplinary, dynamic and international higher education institution, which offers students and staff an environment that is innovative, caring and multicultural.

Academic Courses: Courses are taught in English and many are transferable to CSUCI. Degree programs ranging from Chemical Engineering, Information Technology and Business Management to Nursing, Music and Performing Arts. A strong focus on entrepreneurship and excellent connections with the working-life, provide a good basis for combining theoretical knowledge with career skills in a meaningful way.

Benefits: Studying abroad in this country exposes you to the breathtaking scenery only found in Finland. Enjoying your weekends playing in the fine powder snow is a great relaxing time after studying in the weekdays.
