Facilities Services Department Mission Statement

Facilities Services provides highest value of service by promoting a safe, healthy and productive learning and work environment, exhibiting forward vision, using resources effectively and efficiently, and continuously improving the quality of service.

DFS'S CORE VALUES

Excellence in service

Value our team members

Continuous improvement and customer service

Sustainable performance

Facilities Services Department Overview

DFS's Role: To Keep the Campus Functioning

The Department of Facilities Services (DFS) is responsible for space planning, designing and constructing new buildings and renovations, maintaining the buildings, landscaping, providing custodial services, and managing utility services.

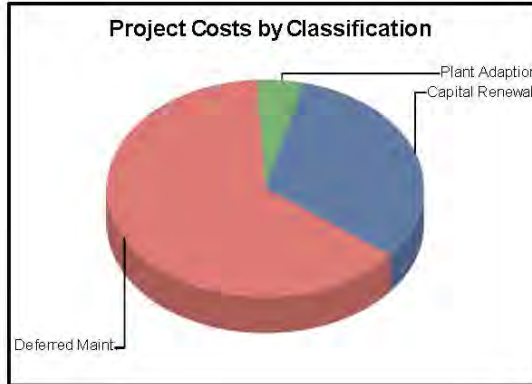

Our job is to provide clean, **safe, functioning, and aesthetically pleasing facilities** for the campus, where the campus community can fulfill the University's mission, i.e., teaching and learning.

Our Accomplishments in FY 13-14

- We delivered the capital projects program **on-time, and under-budget**.
Ongoing projects remain on schedule.
- We provide maintenance and custodial service at **APPA Level II**
(comprehensive stewardship, one level below hospital grade service).
- We perform at sustainability rating equivalency of **LEED-Platinum** for the built habitat.
- We earned customer service scores of **8 out of 10**.
