

# Your Turf Reservation Application has been approved!

**Application number : #TRM79458**

**Dear CALIFORNIA STATE UNIVERSITY CHANNEL ISLANDS,**

Your turf reservation application has been approved. You have 120 days (until 10/09/15) to remove the turf from your project area and replace it with a California Friendly Landscape. Once your project is complete, apply for your rebate by logging in at <https://mwdturf.conservarebates.com/> and submitting "Turf rebate application". This application will ask for photos of your completed project and other basic information. Please keep in mind, to receive a rebate, your completed project **MUST** meet the below terms and conditions. **If your completed project does not meet these conditions you may not receive a rebate.**

- Not include any live turf or turf-looking grasses
- Include some plants (excluding turf) in the project area
- Be permeable to air and water to reduce surface water runoff. Areas with concrete, structures and other surfaces that water and air cannot move through will be disqualified.
- Turf areas replaced with structures or any impermeable surfaces will not be eligible for the rebate.

**(Please exclude these turf areas from your measurements to avoid program disqualification)**

- Some examples of built structures include: raised patios, decks, and garages
- Pathways with broken concrete, flagstone, or other like materials may be used, but cannot be filled in with cement

Customers are responsible for complying with all applicable laws, codes, policies, covenants, conditions, and restrictions.

1. Rebate amounts vary by water agency and are subject to change at any time.
2. Renters may be eligible to participate with written consent of property owner. Renter's name must be on water bill.
3. All rebated devices are subject to on-site inspection.
4. Metropolitan and participating water agencies are not responsible for any taxes, fees or tariffs that may be imposed as a result of device purchase.
5. Metropolitan and participating water agencies make no representation or warranty relating to devices, including any hazardous substances that may be contained in the device. This application form is for rebate purchases only.
6. Applicant waives and releases Metropolitan, participating water agencies, and their contractors or agents from any and all claims and causes of action arising out of the installation and use of devices pursuant to the Turf Removal Rebate Program.
7. If installation cannot be verified, the applicant must reimburse Metropolitan for rebates received and associated processing costs.
8. Reduced water bill is not guaranteed.
9. Email address may be used to communicate additional available rebates or programs.
10. Limit one rebate application per product category, per address. If you have already received a rebate through your water service provider for a qualifying device, you may not apply again for the same product category.
11. Rebate checks will become void 90 days after being issued.

**Approved Square Footage:** 28,000 (Perimeter areas of north and south quads)

**Total Estimated Rebate:** \$25,000.00

You are responsible for complying with all applicable laws, codes, policies, covenants, conditions, and restrictions.
