**(1) PROVIDE A DESCRIPTION OF THE ACTIVITY:**

The tenth annual Noche de Fiesta, presented by El Club de Español, was held on Wednesday, April 15th, 2015, in Malibu Hall 100 from 6:00 to 8:30 pm.

This is a concert and dinner organized every year by El Club de Español and the Spanish Program in which we celebrate the music of the Hispanic cultures. This year our event featured the Pan-American rhythms of Grammy Award-winning *La Santa Cecilia*, a popular Los Angeles-based band of Chicano and Latino musicians. In addition a group of CI Aztec dancers performed a few songs to the audience as our opening act.

437 people attended this event: 302 students and 135 guests/staff/faculty. The music, food and entertainment we had this evening was a huge success.

**(2) HOW DID THE ACTIVITY RELATE TO A COURSE(S) AND/OR LEARNING OBJECTIVES?**

All Spanish language courses offered extra credit for attending this event. The students who attended shared their impressions about the music and songs performed by the band in their classes. Spanish 211 students who attended the event wrote a paper about Latino-fusion music in the US in which they compared/contrasted the origins and evolution of Latino and other rhythms.

**(3) WHAT DO YOU SEE AS THE STRENGTHS OF THE ACTIVITY?**

This annual event, which has become a CI tradition, gives students the opportunity to experience traditional cultural expressions that are integral to Hispanic peoples and cultures. I feel proud of what we are able to accomplish after each Noche de Fiesta. Students who are involved in the organization of our event, as well as those who attend, have the opportunity to participate in one of the main CI extracurricular activities that promotes multicultural perspectives on campus.

**(4) WHAT WOULD YOU SAY ARE/WERE THE ACTIVITY'S WEAKNESSES?**

At times during the event, Malibu Hall 100 felt very crowded and there was not much room to move around and dance. We are in need of a larger venue. Having fewer tables in the future will give us more room to move around.

**(5) HOW WOULD YOU IMPROVE THIS ACTIVITY FOR NEXT TIME?**

Our event could be extended for another half hour because we felt rushed to do our announcements and acknowledgments. Also, we could have more interaction with the audience

in future events. Students could provide comments or be encouraged to ask a few questions to the band about their music or country of origin.

(6) WHAT DID YOU LEARN FROM THE PROCESS?

Every Noche de Fiesta event that I have helped organized has required numerous interactions and negotiations with different kinds of people, both at a personal and professional level. What I have learned from the process is I have learned to communicate effectively with different kinds of people, from administrators to artists.

(7) WHAT ARE STUDENT RESPONSES TO THE ACTIVITY? ATTACH STUDENT EVALUATIONS OR ASSESSMENTS (IN ACCORDANCE WITH FERPA RESTRICTIONS YOU MUST REMOVE ALL PERSONALLY IDENTIFIABLE STUDENT INFORMATION)

Attached on a separate document.
