### **C. IMAGES FROM ACTIVITY:**

Please embed 3-5 images in this document (or attach in .JPEG format) that demonstrate student participation with captions/titles.

**1) PROVIDE A DESCRIPTION OF THE ACTIVITY:**

The eleventh annual Noche de Fiesta, presented by El Club de Español, was held on Wednesday, April 27th, 2016, in Malibu Hall 100 from 6:00 to 9:00 pm.

This is a concert and dinner organized every year by El Club de Español and the Spanish Program in which we celebrate the music of the Hispanic cultures. This year our event featured the “Very be careful” a popular Colombian Los Angeles-based band.. In addition a group of CI Aztec dancers performed a few songs to the audience as our opening act.

437 people attended this event: 302 students and 135 guests/staff/faculty. The music, food and entertainment we had this evening was a huge success.

**(2) HOW DID THE ACTIVITY RELATE TO A COURSE(S) AND/OR LEARNING OBJECTIVES?**

All Spanish language courses offered extra credit for attending this event. The students who attended shared their impressions about the music and songs performed by the band in their classes. Spanish 211 students who attended the event wrote a paper about Latino-fusion music in the US in which they compared/contrasted the origins and evolution of Latino and other rhythms.

**(3) WHAT DO YOU SEE AS THE STRENGTHS OF THE ACTIVITY?**

This annual event, which has become a CI tradition, gives students the opportunity to experience traditional cultural expressions that are integral to Hispanic peoples and cultures. I feel proud of what we are able to accomplish after each Noche de Fiesta. Students who are involved in the organization of our event, as well as those who attend, have the opportunity to participate in one of the main CI extracurricular activities that promotes multicultural perspectives on campus.

**(4) WHAT WOULD YOU SAY ARE/WERE THE ACTIVITY’S WEAKNESSES?**

At times during the event, Malibu Hall 100 felt very crowded and there was not much room to move around and dance. We are in need of a larger venue. Having fewer tables in the future will give us more room to move around.

**(5) HOW WOULD YOU IMPROVE THIS ACTIVITY FOR NEXT TIME?**

Our event could be extended for another half hour because we felt rushed to do our announcements and acknowledgments. Also, we could have more interaction with the audience

**(6)WHAT DID YOU LEARN FROM THE PROCESS?**

That is extremely important to keep an open communication with the administration and the students involved in the event. The process involves many aspects, and therefore instructions should be clear.

**(7) WHAT ARE STUDENT RESPONSES TO THE ACTIVITY? ATTACH STUDENT EVALUATIONS OR ASSESSMENTS**

Attached on a separate document.

**8) GIVE A SUMMARY OF EXPENSES FOR THE ACTIVITY.**

Honoraria (band) \$5,000.00

Sound engineer \$550.00

Supplies \$250.00

My only recommendation I have, would be to double check the music/sound system. I think one of the speakers was not working well.

I learned about Colombia's culture, especially  
their appreciation of music & dance.

Positive elements of the event (strengths)

The ambience was very lively, I was able to  
enjoy myself & de-stress for a while.

Elements to improve (weaknesses)

I wasn't a big fan of how the room was set up. Instead of having chairs facing forward we should have tables set-up.

Recommendations for future events

Like I mentioned above, the set-up could be less formal.
