

Welcome to CSU Channel Islands

This is a summary of the Parking and Permit Services and Regulations on Campus:

In accordance with Section 21113 (a) of the California Vehicle Code, Sections 42200 and 42201 of Title 5 of the California Code of Regulations, and Sections 67311.5, 89030, 89031, 89701, and 90012 of the Education Code, the Administration of CSU Channel Islands hereby gives notice that the following regulations will be enforced on this campus:

Parking Enforcement: Parking on campus is by permit **ONLY** (with the exception of metered and visitor spots) and is enforced 24/7. Permits must be visible at all times. This policy applies to the entire CSU Channel Islands campus, which includes all outlying areas. Vehicles must park within marked stalls. Backing in and pulling forward are prohibited. There is no street parking unless indicated by posted signage.

Customer Service Hours of Operation:

Monday– Thursday 8:00a.m.—7:00p.m.
Friday 8:00a.m. — 5:00p.m.

Sale of Permits: Student and Faculty semester parking permits are available online by clicking the **CI Parking Permits** link in your myCI account. You may use an echeck, Visa, MasterCard, American Express or Discover credit card to make your payment. There is a 2.75% processing fee assigned to credit card transactions. All permits are available for sale through the Transportation and Parking Services (TPS) office Monday through Friday during regular business hours. Motorcycle permits must be purchased in person, in the office. The forms of payment accepted in the office are cash, check or money order. No credit cards are accepted, except with an online purchase. The purchase of a parking permit does not guarantee availability of space in a particular lot.

Display of Permit: Permits must be displayed at all times. There are two (2) options for legal display of the static cling permit: 1) affixing the permit to the inside bottom left corner of the front windshield (driver's side); or 2) purchasing a permit holder from the bookstore, affixing permit to the holder, and hanging it from the rear view mirror with the permit number facing the windshield. It is illegal to display a parking permit

on any vehicle not registered with TPS as being authorized to display that specific numbered permit. Permits are non-transferable, unless you have registered with TPS as a carpool. Violation will result in a parking citation being issued and/or other corrective measures.

Commuter Parking:

Student, Staff and Tenant Parking: Students, Staff, and Tenants may utilize all “A” parking lots. Signs located within or at entrances to parking areas indicate permits required.

Visitors: Visitors may utilize designated visitor spaces in lots A1, A2, A5, A10 and R which are limited to 30 minutes or as signage permits. Visitors may utilize metered zones; however, metered rates must be paid. Visitors may purchase a daily parking permit to park in general parking areas, or visitor parking may be sponsored in advance by a campus department.

Other CSU Permits: All current and valid semester permits from any campus of the CSU System shall be honored in all “A” Lots. This excludes the daily parking permits.

Faculty: There is designated parking for faculty in Lots A2, A5, A7, and R. Additional parking is available in general parking spaces.

Restricted Parking: Holders of CI “R” and “RV” permits are authorized to utilize the Restricted spaces located in Lot R.

Metered Parking: Metered spaces are available throughout the campus. These spaces are for individuals who have short-term University business (45 minutes or less). Meters are not to be used for class instruction or while taking finals. Metered zones are enforced seven (7) days a week, 24 hours a day. Permits are not honored in metered spaces.

Student Housing Parking:

Parking in the Student Housing lots is determined on a first come, first served basis. Vehicles parked in any of the SH lots not displaying an SH permit will be cited, booted, or towed at the vehicle owner's expense. SH permits are not valid in “A” Lots, restricted, maintenance or visitor designated parking stalls.

Student Housing (SH) Permit: The SH permit is only issued to students living in student housing, and is only valid in the two (2) SH designated lots.

Student Housing University Glen (SHUG) Permit: The SHUG permit is only issued to students living in University Glen Town Center Student Housing and is valid in the University Glen Town Center parking lot as well as the (2) SH designated lots.

University Glen Parking:

University Glen (UG) Permits: University Glen permits are valid only in the University Glen neighborhoods, and are not valid for campus parking. Likewise, campus permits are not valid in the University Glen residential area.

University Glen Town Center: Parking in the Town Center is restricted to University Glen Town Center student housing residents, employees, and customers only. Various color-coded parking signage has been posted to clarify such designations.

Motorcycle Parking:

Designated Spaces and Lots: Two and three-wheel motor vehicles may legally park within the designated parking areas in Lots A4, A7, Courtyard 37, SH1, and SH2 (only for those displaying a SH Motorcycle permit) or any metered zone; however, metered rates must be paid. Signs indicating “Motorcycles Only” identify these spaces. Parking on the outside of any parking stall or parking in an incorrect way is prohibited and will result in the issuance of a citation with the possibility of tow away at the vehicle owner's expense.

Displaying Motorcycle Permits: Permits must be permanently affixed to the front-right fender or fork, or affixed to a lock that is attached to the front-right fender or fork of the motorcycle or moped.

Vista Bus Shuttle Card:

Purchasing: Shuttle cards can be purchased online at the CI Parking Permit website, or in the TPS office (if purchased online, they must still be picked up in person). The card is reloaded from semester to semester. If it is lost, there is a \$15 replacement fee. More information on the bus routes is available in brochures in the TPS lobby.

Vista Bus Shuttle Stop: The bus zone is located on Santa Barbara Avenue. For your safety, there is no parking or driving in the bus-loading zone. Vehicles parked or driving in the bus loading zone are subject to citation and/or tow away at the vehicle owner's expense.

3 Complimentary Permits: With the purchase of a semester shuttle card, you will be able to park on campus three times during a semester without having to pay for a daily permit. You must visit the TPS office to receive the complimentary permit before parking.

Parking For Individuals With Disabilities: The D1 Lot and various parking zones are areas specifically designated for individuals with disabilities. These zones are identified with a sign bearing the international disability symbol. Vehicles parking in this area must display a valid CI parking permit and a valid DMV issued placard or plates or CI complimentary disabled temporary permit.
