**Guidelines for Student Parking**

A student is defined as someone who is currently enrolled at CSU Channel Islands during the spring or fall semester, summer period, or one who has completed the immediately preceding term and is eligible for re-enrollment. This also includes non-matriculated (i.e. Open University, Extended University, Osher, and prospective/intent to enroll students).

Parking of motor vehicles on the California State University Channel Islands campus is regulated in accordance with Section 21113 (a) of the California Vehicle Code and Sections 42200 and 42201 of Title 5 of the California Code of Regulations.

All parking registration applications for students must be completed in their entirety (including name, student ID number, contact information and vehicle information of the student) and must be submitted to Transportation and Parking Services when the student purchasing a permit is either making changes to their address or vehicle information from a previous semester or when the student purchasing the permit has not filled out an application in the past.

Parking permit applications are subject to being denied for the following reasons:

- The requestor is not currently enrolled in any classes at CSU Channel Islands
- The student purchasing a permit currently has a parking hold on their MyCI account

If the application is approved, Transportation and Parking Services will assign a semester Student or Student Housing permit to the applicant. Vehicles displaying an **S (student)** permit, may only park in any unmarked stalls in the A1-A11 parking lots on campus. Vehicles displaying an **SH (student housing)** permit, may only park in any unmarked stalls in the SH1 and SH2 parking lots on campus. Failure to park in the specified areas that these permits pertain to or failure to abide by the campus parking rules and regulations may result in a parking citation.

Any student applicant found lending, transferring or selling their permit to another person will be in violation of Section 11.14 of the *CSU Channel Islands Parking Regulations*. This action may result in a parking citation being issued and/or other corrective measures including criminal prosecution and referral to judicial affairs.

If you have any additional questions in regards to the application or the parking guidelines for student permits, please call (805) 437-8430 or visit our main office located in Placer Hall.
