Student Mathematics Remediation Contract

CSU Channel Islands students who failed to successfully complete developmental math classes within their first year of attendance and have not done so due to insufficient grades, must complete a Remediation Contract. Prior to enrollment at another institution, student must verify that the course(s) is/are equivalent to the appropriate CSU Channel Islands course (s) in order for the requirement to be met. A grade of "C" or better is necessary. Any non-equivalent course must be approved by the Mathematics department via Petition for Exception. Students can also meet this requirement by reenrolling in the appropriate CSU Channel Islands remedial course(s).

| I am aware that I am required to complete term(s) of remediation in the term. I will provide proof of successful completion in order to register for the term. Term/Year Course to be taken: Term/Year Course to be taken: Institution: Institution: Subject & Course Number: | term. |
