

GUIDING PRINCIPLES:

ARTS & SCIENCES COLLECTIVE VISION 2020-2025

01

Our *Collective Vision* will be a living document that is regularly modified to adapt to changes in the priorities of the College of Arts and Sciences and of CSU Channel Islands.

02

Our *Collective Vision* will reflect the mission, vision, and values of the College of Arts and Sciences as well as those of CSU Channel Islands.

03

All students, faculty, and staff in the College of Arts and Sciences will have multiple opportunities to contribute to creating our *Collective Vision*.

04

All students, faculty, and staff in the College of Arts and Sciences will find at least some aspects of our *Collective Vision* significant to their education and work lives.

05

Our *Collective Vision* will guide planning, development of programs, hiring, allocation of resources, and improvements of processes.

06

Our *Collective Vision* will be used to inform and advocate for the priorities of the College of Arts and Sciences within the Division of Academic Affairs, CSU Channel Islands, and the community at large.

07

Our *Collective Vision* will include measurable outcomes that are regularly assessed with findings reported to all stakeholders.
