Advising Center
Bell Tower Building, Room 1595
(805) 437-8571
www.csuci.edu/academics/advising

At CSU Channel Islands (CI), the role of advising is shared with faculty advisors and professional advisors. Academic advising is a continuous process that supports students throughout their academic journey at the University. Students are ultimately responsible for their education planning and meeting all graduation requirements. Students need to be familiar with the University catalog policies and major and degree policies. To ensure academic success and to remain on course, students are encouraged to maintain regular contact with academic advisors.

Academic advisors in the Advising Center provide guidance with general education and graduation requirements, monitoring of the student’s degree progress, undeclared major advising, clarification of academic probation policies, and other institutional policies and procedures. In addition to taking advantage of the center’s professional academic advisors, students can develop a mentoring relationship with a faculty advisor upon declaration of a major. Faculty advisors assist students with clarification of major requirements and assist students with internship and career opportunities.

Students may call or stop by the Advising Center check-in counter to schedule an appointment with one of our professional academic advisors. Major faculty advisors are available on a walk-in basis or by appointment. For faculty advisor availability and office locations, please check the Advising Center lobby display case. Advisors are busiest during registration periods and the first few weeks of the semester. Students are encouraged to schedule advising sessions during non-peak times. The Advising Center hours are: Monday – Thursday, 8:30 a.m. – 6 p.m.; Friday, 8 a.m. – 5 p.m.
