FALL 2003
schedule of classes
CALIFORNIA STATE UNIVERSITY, NORTH RIDGE
AT CHANNEL ISLANDS
Welcome to Fall 2003!

The faculty and staff of CSU Northridge at Channel Islands welcome you to the fall 2003 semester!

This fall marks the opening of the new CSU Channel Islands science building complete with labs and auditorium. Other projects currently underway will provide for additional computer lab, library, and classroom facilities that will be available to our students. This is also the first semester that the off-campus center will not be admitting new students to its degree programs, but instead will concentrate on assisting current students to complete their programs. In order to provide additional course options to our students, we are working closely with academic departments at CSU Northridge to arrange for articulation and substitution of courses from the CSU Channel Islands catalog where appropriate. Please check with your faculty advisor or the Advising Center for specific information about the transferability of CSU Channel Islands courses.

Best Wishes,

Frequently Asked Questions

Q. Will CSUN at Channel Islands still be offering the same majors in fall of 2003?

A. CSUN at Channel Islands is gradually transitioning our undergraduate degree programs out and CSU Channel Islands is offering a number of new degree programs at this campus. Effective fall 2003 CSU Channel Islands will offer additional undergraduate programs in history and psychology. They will also offer credentials in Special Education and Single Subjects (English, math, and science). If you are interested in one of these programs please consult the CSU Channel Islands schedule of classes or visit our website at www.csuci.edu.

Q. Will there still be Admissions and Records services available on campus for CSUN at Channel Islands students?

A. Yes, the Enrollment Center at the Channel Islands campus will be assisting both CSUN and Channel Islands students. The Enrollment Center is located on the first floor of the Professional Building and consists of Admissions, Registration and Records, Financial Aid and Student Financial Services. Please note the hours of the center located inside this schedule of classes.

To provide additional course options to students enrolled at this campus many CSU Northridge departments have agreed to articulate or substitute courses from the CSU Channel Islands catalog where appropriate. Please check with your faculty advisor or the Advising Center for specific information about the transferability of CSU Channel Islands courses. The process outlined below will permit qualified students to enroll in CSU Channel Islands courses. CSU Northridge at Channel Islands students seeking to participate in the Intrasystem process should submit forms through the Enrollment Center as early as possible during the registration process.

Intrasystem Concurrent Enrollment
This program permits students to enroll for classes at CSUN at Channel Islands and another CSU campus simultaneously. There is no limitation to the number of times a student may enter this program, as long as an application is filed each semester within the application deadlines outlined by the host campus. Please consult your program advisor and financial aid representative. Contact the Enrollment Center for the Intrasystem Concurrent Enrollment application.

Intrasystem Visitor Enrollment
This program permits students to enroll solely at a CSU campus different from their home campus. Registration fees are paid to the host campus (the campus which the student is visiting). Financial aid recipients should check with a financial aid representative at their home campus.

</tr>
</thead>
<tbody>
<tr>
<td>0-6 Units $655</td>
<td>0-6 Units $703</td>
</tr>
<tr>
<td>7+ Units $985</td>
<td>7+ Units $1,066</td>
</tr>
</tbody>
</table>

With prior approval, students have the option to pay registration fees in three installments. Check with Student Financial Services located on the first floor of the Professional Building in the Enrollment Center for complete details. For more specific information regarding university fees and charges, please refer to the CSUN schedule of classes. (Fees subject to change by the trustees of the California State University; students will be billed for any fee increase approved by the legislature).

**UPPER DIVISION WRITING PROFICIENCY**

At CSUN, all students who have met the lower division writing requirements, completed 56 units or more and intend to graduate with the baccalaureate or master’s degree are required to pass an essay examination as a demonstration of their proficiency in writing. Undergraduates must take the Upper Division Writing Proficiency Exam no later than the semester in which 90 units are completed. Graduates must have taken the WPE by the time they complete 12 units in their Masters program. Students who have not taken the WPE by the completion of 90 units may have an advisement hold placed on their subsequent registration.

**MATH TUTORING LAB – University Writing Center**

At the Math Tutoring Lab and the University Writing Center, we strive to provide the resources to help students reach their academic goals. We are here to help students at all levels. Our process is collaborative—we work with them to encourage effective, independent learning, and to further their knowledge and understanding during their education at CSUCI.

We encourage our students to visit either center any time during our open hours. Please check the display in front of the Advising Center for the current schedules and locations. To schedule an appointment or to acquire more information, please call 437-8409.

**POLICY AGAINST HARASSMENT**

California State University, Northridge is comprised of individuals from diverse backgrounds. It takes pride in being a culturally pluralistic campus which promotes equal opportunity and racial and cultural harmony. As such, it is essential that the entire University community recognize the need for awareness of, sensitivity to, and respect for the cultural heritage, gender, and sexual orientation of others. An individuals’ or groups’ actions or activities which promote degrading or demeaning social stereotypes based on race, age, ethnicity, national origin, gender, sexual orientation, religion, or disability will not be tolerated. Any student concerned about such discrimination should address those concerns to the Director of the Channel Islands campus.

**OFFICE OF C.H.A.Ps–Career, Health, Accommodations, Personal Counseling Services**

Our office provides quality student services that foster the continuous improvement and ongoing development of students inside and outside of the classroom including the following services:

- Career Planning and Job Preparation
- Accommodation Services
