Drafted By Faculty Affairs Committee (FAC) 2009-2010: Bob Bleicher, Minder Chen, Marie Francois, Blake Gillespie, Debra Hoffmann, Sean Kelly, Jacquelyn Kilpatrick

Applicability: All CSUCI Chairs

Purpose: To establish a policy on the evaluation of Chairs

Policy on Evaluation of Chairs, CSU Channel Islands

Preamble: Evaluation of program chair will allow the program faculty and staff to examine their leadership, conduct of office, and the establishment and attainment of program goals. Evaluations should offer constructive criticism and should contribute to a sense of program collegiality, renewing common understanding between program leadership, faculty and staff. The evaluations are intended to be tools for the improvement of leadership skills, not as quantitative metrics of success.

Policy
Chairs shall be evaluated during the final year of her/his appointed term. The evaluation shall consist of two levels: Level 1: Chair Evaluation Committee; Level 2: Dean of Faculty.

Level 1: Chair Evaluation Committee

During the final year of a Chair’s appointed term, the program faculty shall meet to elect a Chair Evaluation Committee (CEC). The CEC shall consist of at least three tenure-track faculty members from the program(s) for which the Chair is responsible. In the case of programs with fewer than three tenure-track faculty members, the Dean of Faculty will work in tandem with the tenure-track members of the program to identify an additional member or members, if necessary, to complete the committee. The CEC will solicit information and recommendations from all program faculty, staff, the Chair, and others as deemed appropriate by the Committee. The data shall include evaluations by individual faculty and staff and any other pertinent information collected during the evaluation. An approved Evaluation of Chair Form developed by the Faculty Affairs Committee shall be used for collecting information upon which the CEC will develop their Summary Report (SR). The CEC will give the Chair and the program faculty a copy of the SR, and subsequently may call a program meeting to discuss the SR and its recommendations with the Chair and the program faculty prior to submitting the report to the Dean.
Policy on Evaluation of Chairs
