Quantitative responses identified three broad areas as important and/or in need of improvement

01

Academic &
Curricular
Programs

02

Student
Services,
Support &
Development

03

Diversity,
Equity,
Inclusion, and
Accessibility

Qualitative responses to open-ended questions further narrowed these broad categories to more specific areas of focus

Academic

Support

DEIA
Initiatives

Focus Group & Padlet responses further identified areas of focus & campus initiatives that align with themes

The TPR Advisory Committee used this campus input to develop our unifying theme and three priorities

Brechas por Cerrar/Escaleras por Construir
(Closing Gaps, Building Ladders)

Academic Quality &
Student-Centered
Infrastructure

Student Services,
Support, &
Development

Diversity, Equity,
Inclusion, &
Accessibility (DEIA)
