**Living-Learning Communities (LLC)**

Students share a common intellectual and residential experience with an academic focus. Two General Education courses are paired to promote student success and align with a CI Mission Pillar in fall, and students take one or two courses together in spring. These classes are block scheduled for the students in LLCs. A University Experience Associate (UEA) peer mentor meets with students outside of class in small Dolphin Interest Groups (DIGs) every other week, and works with the faculty and Resident Advisor (RA) in Housing to promote transition to University life for the LLC cohort.

**Outdoor Adventures:** This TC allows students to explore the outdoors at their own pace—to take personal challenges, step out of their comfort zones and try new things. Outdoor Adventures lasts throughout the entire academic year.

**Geek Life:** This TC is built around gaming, animation, digital adventures and all things geek chic. Geek Life lasts throughout the entire academic year.

**Bedford and Dr. Irene Pinkard LLC:** This LLC honors the continued legacy of Bedford and Dr. Irene Pinkard, founders of the Ventura County Chapter of Black American Political Association of California, and their work in local under-served communities. This LLC develops leadership and mentoring skills to encourage a sense of belonging at CI, critically analyze issues that impact the Black and other vulnerable populations of the world, and imagine and create more inclusive futures.

**Michele Serros LLC:** This LLC is named for the late Michele Serros, a nationally-recognized and celebrated Chicana author/poet from Oxnard, this LLC engages students in critical dialogue on educational empowerment, creativity, community advocacy, multiculturalism, social justice and equity, and will foster a sense of familia and support for all.

**Student Undergraduates Research Fellows (SURF) LLC:** This LLC is all about curiosity, inquiry, creativity, and discovery with an interdisciplinary research focus on Homelessness in Ventura County. This community includes a trip to Santa Rosa Island.

**Outdoor Adventure LLC:** This sustainability-focused LLC links an Environmental Science and Resource Management (ESRM) course with a critical thinking course. This community involves off-campus community service and field trips.

**Windows on the World (WOW) International LLC:** This LLC works to facilitate the exploration of international themes and experiences, in history and today, as well as facilitate global perspectives.

RESIDENTIAL MEAL PLANS @ CSUCI

All Housing residents are required to have a meal plan. The plan consists of a combination of "swipes" & "flex cash".

**SWIPES**

Swipes are used at Islands Cafe. 1 swipe = 1 meal. Islands cafe is "all you care to eat" style. Either take a meal to-go or dine-in. To-go boxes are reusable and are a one-time additional fee.

**FLEX CASH**

Flex cash is for use at all of the other campus eateries, including the Town Center eateries and Student Union Building. A set dollar amount is added to your card.

**ISLANDS CAFE**

Islands Cafe is the primary source of food for the meal plan. It is an all-you-care-to-eat dining facility with a wide variety of options and daily specials. The different stations include a make-your-own pizza & pasta station, entrees & sides grill, Mexican grill, breakfast bar & omelette station, Pan Asian grill, farmer’s market, salad & soup station, and a variety of different sweets.

**OTHER CAMPUS EATERIES**

The Town Center is on the east end of campus and features several eateries. Grab pizza & wings at Pizza 3.14, Mexican cuisine at Tortillas Grill, or enjoy the coffee shop, deli, & groceries in the Town Center market. In the Student Union Building, stop by for some snacks at the Sea Store, coffee and hot breakfast at the Freudian Sip, or sides & grilled food at the Lighthouse Cafe. There is an additional Freudian Sip coffee shop and "grab & go" options in Broome Library.

The swipes & flex cash are loaded on your student ID card.
Meal Plan Options

**SANTA ROSA & SANTA CRUZ**

- **Basic 160*** = 160 swipes & $300 flex cash per semester (avg 10 meals per week)
- **Enhanced 224** = 224 swipes & $200 flex cash per semester (avg 14 meals per week)
- **Premier 304** = 304 swipes & $50 flex cash per semester (avg 19 meals per week)

**ANACAPA VILLAGE**

- **Basic 60*** = 60 swipes & $125 flex cash per semester (avg 3.8 meals per week)
- **Enhanced 75** = 75 swipes & $125 flex cash per semester (avg 4.7 meals per week)
- **Premier 90** = 90 swipes & $125 flex cash per semester (avg 5.6 meals per week)

Anacapa residents may also select from any of the Santa Rosa & Santa Cruz meal plans listed above

**TOWN CENTER**

- **Basic 30*** = 30 swipes & $392.50 flex cash per semester (avg 1.9 meals per week)

Town Center residents may also select from any of the Santa Rosa, Santa Cruz, or Anacapa meal plans listed above

For meal plan prices, please see our website at www.csuci.edu/housing

The swipes & flex cash balance is added to your ID card each semester. The average number of meals per week is just for reference; students may use the balance throughout the semester as they desire. Residents can increase their meal plan at any time, but there is a deadline to decrease the plan (if it is higher than the minimum). Unused flex cash will transfer over from fall to spring semester and will expire on the last day of spring semester. Unused swipes will expire each semester and do not transfer over. No refunds are provided for unused meal plans so residents are encouraged to use the full value of the meal plan.
