To reserve your space for fall 2018, admitted applicants must complete the 3-step intent to enroll process no later than Tuesday, May 1, 2018 at 11:59 p.m. Our offer of provisional admission is only good for the fall 2018 term. You may not defer your enrollment to a later semester. Our offer of provisional admission will be withdrawn if you fail to complete all three steps of the intent to enroll process, as described below, by the deadline.

1

STEP 1: ACCEPT OUR OFFER OF ADMISSIONS BY MAY 1, 2018 at 11:59 P.M.

To reserve your space for fall 2018, admitted applicants must complete the 3-step intent to enroll process no later than Tuesday, May 1, 2018 at 11:59 p.m. Step 1 is to accept our offer of provisional admission:

- Log into your myCI (myci.csuci.edu) and click on “CI Records.” Your login information was emailed upon submitting your admission application for admission. We used the email address that was noted on your Cal State Apply admission application. Please check your SPAM/junk mail folder if necessary.

- Scroll down to the bottom of the page (under “Admissions”) and “Accept” or “Decline” Admission. “Accept” means that you are electing to enroll at CSUCI for fall 2018 and are responsible for completing the next two steps of the intent to enroll process by Tuesday, May 1, 2018 at 11:59 p.m. Our offer of provisional admission will be withdrawn if you fail to complete all three steps by this deadline.

- After accepting our offer of admission, a yellow triangle △ will appear at the bottom of your CI Records page and remain until your final transcript has been reviewed. Check your “To Do” list often (located on the right side of your CI Records page) for other enrollment requirements.

2

STEP 2: CHOOSE A MANDATORY ORIENTATION SESSION BY MAY 1, 2018 at 11:59 P.M.

- Once you have accepted our offer of admission (Step 1), follow the link to “Register for an Orientation Session.” This will return you to “CI Records.” Look for the link for “Orientation,” which will be available to the left of your screen. Now you will be able to register for an orientation session this summer that pertains to your major:

  - Orientation is a mandatory, two-day overnight program that will introduce you to important resources and services and provide you with critical academic advising information. You are required to attend the entire program. Only students who have fully participated in orientation are allowed to register for classes. For more information, visit the New Student Orientation website: go.csuci.edu/IVO.

- Please proceed to the final step (Step 3) in the intent to enroll process. Our offer of provisional admission will be withdrawn if you fail to complete all three steps by Tuesday, May 1, 2018 at 11:59 p.m. This deadline may not be appealed.

3

STEP 3: PAY THE NON-REFUNDABLE ORIENTATION FEE: $175 BY MAY 1, 2018 at 11:59 P.M.

IMPORTANT: Once paid, the orientation fee is non-refundable and may not be applied to a future term. This means you will NOT receive a refund even if (a) you request to have our offer of admission (provisional or final) withdrawn at a later date or choose not to enroll; (b) our offer of provisional admission is withdrawn because you failed to meet an admission or enrollment requirement or deadline (including the transcript deadline); or (c) our offer of provisional admission is rescinded after reviewing your final transcript(s).

Once you have registered for an orientation session, log back into myCI:

- Under My Links, click on “CI Records.”

- In the Finance section of your Student Center under “Account Summary,” you will see the $175 orientation fee posted.

- Click on “Make a Payment,” then click on “Login to CashNet” to pay the required orientation fee by Tuesday, May 1, 2018 at 11:59 p.m.

- Once in CashNet, click on link for “Make a Payment” on the top menu bar;

- Click on “General Balance” and enter $175 for the orientation fee in the “Amount” box.

- Click on “Add to shopping cart” and then on “Checkout.” Follow prompts for entering method of payment.

- You can view detailed instructions for completing your online payment by visiting: www.csuci.edu/sbs/online-orientation-payment-process.pdf.

Students who filed a 2018-19 Free Application for Federal Student Aid (FAFSA) or the California Dream Act application on or before the Friday, March 2, 2018 deadline AND have an Estimated Family Contribution (EFC) of 4,000 or less will be considered for a deferment of the new student orientation fee. Deferment means that payment of the orientation fee will be charged to your fall semester’s account. We are unable to grant a deferment until the results of your financial aid application (FAFSA or CA Dream Act) are shared with us. If a deferment is not granted, you must pay your orientation fee no later than Tuesday, May 1, 2018 at 11:59 p.m.
Our offer of provisional admission was based on information you provided on your Cal State Apply application. In order to maintain your admitted status and enroll, you must - - by the end of spring 2018:

1 Graduate from high school or complete a GED.

2 Complete the 15 year-long pattern of a-g college preparatory courses with a grade of C- or better.

<table>
<thead>
<tr>
<th>a-g College Preparatory Subject Requirements</th>
<th>Years Required</th>
</tr>
</thead>
<tbody>
<tr>
<td>a. U.S. History/Social Science must include one year of U.S. History OR one semester of U.S. History and one semester of Government, AND one year of history/social science from either the “a” or “g” subject area</td>
<td>2</td>
</tr>
<tr>
<td>b. English 4 years of college preparatory English composition/literature (including no more than one year of Advanced ESL/ELD)</td>

</table>

3 Meet the minimum CSU Eligibility Index, which is the combination of your high school GPA (calculated from your 10th, 11th, and 12th grade a-g courses) and your test score on either the SAT (EBRW + math) or ACT composite score. For additional information, refer to www2.calstate.edu/apply/eligibility-index.

Important Information for Pre-Nursing Majors

Students admitted as Pre-Nursing majors have NOT been admitted into the Nursing Program. While first-time freshmen may have designated Pre-Nursing as their major upon applying to the university, admission to the university does not guarantee admission to the Nursing Program.

Freshman applicants will apply to the Nursing Program late in their freshman year or after they have completed their prerequisites and supplemental criteria. Although hundreds of students will declare Pre-Nursing as a major; very few (about 40 per year, which includes transfer students) will actually be admitted into the Nursing Program.

Nursing is designated as an impacted major, which means that the number of applications from qualified candidates far exceeds the number of available seats. As such, additional criteria are used to screen applications. Applicants are ranked-ordered for admission according to a point structure; go.csuci.edu/NursingSupplemental.

Students who declare Pre-Nursing as a major should carefully review the supplemental criteria and determine whether or not they will be competitive candidates. If not, they should plan to select a different major. For more information, please visit go.csuci.edu/NursingTrack1.
CALIFORNIA STATE RESIDENCY

State residency determines admissions criteria and fee structure for all applicants. Your residency is determined by the information submitted in your application for admission and is referenced in your offer letter. University requirements for establishing residency are independent from other types of residency such as those for tax purposes or other state or institutional residency. Residency is not the same as citizenship. We will contact you if additional information is required to determine your residency.

For additional information please visit: go.csuci.edu/CAresidency, call Records & Registration 805-437-8500 or e-mail records.registration@csuci.edu.

HOUSING & RESIDENTIAL EDUCATION

CSUCI is committed to providing an excellent holistic living and learning experience for our students. Approximately 1,700 students live in on-campus housing. While on-campus housing is limited, we work hard to provide housing to every student who wants and needs it.

Fall 2018 Housing Deadlines and Application Information

Beginning in March 2018, submit your housing application through myCI along with a $50 non-refundable fee.

- Log into myCI, under myLinks, select the Student Housing link, then Application.
- Select the term you are applying for under Term Selector: Academic Year (academic period admitted) then Save & Continue.
- Submit your housing application, along with a required $50 fee and $1,500 deposit to secure on-campus housing.
- Deferrals are available for students receiving financial aid if they have an expected family contribution (EFC) of 4,000 or less and meet all document requirements by the deadline of Monday, May 7, 2018.
- Freshmen who submit their application by Monday, May 7, 2018 are guaranteed on-campus housing. Late applications will be placed on a waiting list and offered accommodations on a space-available basis.
- Payment for room and board is due on Tuesday, Aug. 21, 2018. An installment payment plan is available for eligible students.

For additional information, visit HRE at go.csuci.edu/housing, call 805-437-2733 or e-mail student.housing@csuci.edu.

FINANCIAL AID INFORMATION

If you have not already applied for financial aid, file a FAFSA (https://fafsa.ed.gov/) or California Dream Act (www.csac.ca.gov/dream_act.asp) application by Friday, March 2, 2018. If requested, you must submit all required and completed documents by the Financial Aid Priority Filing Deadline of Thursday, May 31, 2018. To receive a tuition fee deferral and ensure timely processing of your financial aid award, you must meet the March 2, 2018 deadline and, if applicable, the May 31, 2018 deadline. Remember, you pay for any difference between your financial aid award and your actual fees. For additional information, visit Financial Aid and Scholarship at go.csuci.edu/financialaid, call 805-437-8530 or e-mail financial.aid@csuci.edu.

Tuition fee deferrals are temporary and are issued to students who meet the priority filing and document deadlines. Tuition fee deferrals will protect enrollment and delay the payment of registration fees until the financial aid process is completed. All tuition fee deferrals will expire on Tuesday, Sept. 4, 2018. At that time, fees must be paid by the set deadlines regardless of your financial aid status. Financial Aid students with tuition fee deferral should understand that the tuition fee deferral is for enrollment fees only and does not apply to orientation and housing charges.

IMMUNIZATION REQUIREMENTS

Please check the Student Health Services website for current immunization requirements. Failure to comply with the immunization requirement will result in a hold being placed on your account, preventing you from registering for classes in the following semester.

For additional information, visit Student Health Services at go.csuci.edu/studenthealth, call 805-437-8828 or e-mail student.health@csuci.edu.
The following is a guide to frequently asked questions about admission and enrollment requirements.

1. How can students retrieve their Dolphin login information in order to access their myCI student portal?

   The Dolphin login information was e-mailed to the address provided on the student’s admission application. If it cannot be located, students must send a request to admissions@csuci.edu from the same email they provided on their Cal State Apply admission application. In the email, the student must state their full legal first name, last name and student ID number. We are unable to reply to messages sent from an email account that differs from the one the student provided when applying for admission. This is because we must validate a student’s identity before releasing confidential information about a student’s account.

2. Where does a student find his or her student ID number?

   A student’s ID number is printed on the bottom right corner of our offer of admission letter. In addition, students may find their ID number on their student portal (myCI). Once in myCI records, click the link “Demographic Data” under personal information. This is where students will see their student ID number.

3. What should a provisionally admitted freshman do if the student (a) is no longer taking a course as listed on the admissions application, (b) is deficient in an “a-g” college-prep subject requirement, or (c) did not pass (or anticipates not passing) a required course to maintain eligibility for admission?

   Once an application has been submitted, it cannot be changed. Please do not contact us with updated information. We will determine final admissibility based on the student’s final transcript. Students must meet all CSU requirements in order to be granted full admission to the university. Please refer to the following webpage for specific admission requirements: www.csuci.edu/admissions/freshman/freshman-apply-now.htm. If a schedule change will prevent the student from meeting all admission requirements, the student is advised to (a) consult their high school counselor for assistance in selecting courses required for admission to CSU Channel Islands AND (b) consider the following information when planning or modifying their academic schedule:

   In order to maintain eligibility to attend CSUCI, students must re-take or make up any “a-g” requirements in which a non-passing grade (“D” or “F”) was received. Students may NOT make up admission requirements during the summer following high school graduation. Options to re-take or make-up an “a-g” course include: (a) re-taking the course at the student’s current high school or local community college and completing it with a C- or better by June of the student’s senior year; (b) taking an additional course in the same “a-g” subject area at the student’s current high school or local community college to make up the failing grade (D or F) and completing it with a C- or better by June of the student’s senior year; or (c) taking an online course (e.g., through a California online high school, BYU Online, etc.) in the appropriate “a-g” subject area and completing it with a C- or better by June of the student’s senior year. Area “D” Science courses cannot be completed online because they require a lab. Students are advised to consult their high school counselor for guidance on selecting the best option that will meet the deficient subject matter. Please consult the following website for guidance on selecting an appropriate “a-g” course: https://hs-articulation.ucop.edu/agcourselist#/list/search/institution

Instructions for Reading the Math & English Placement & Early Start Program Chart

As a first-year freshman, you will be placed in a math and written communication course that matches your level of preparation. Some students may be required to participate in a developmental math or English program, known as Early Start, over the summer. The chart on the following pages will inform you of (a) what level of math and/or written communication course(s) you qualify for as a result of the new CSU Placement Standards and (b) whether you are required to participate in Early Start this summer. To read the chart, please follow the instructions below:

1. In the first column, find your major.

2. The next column (Course Placement Indicators) are indicators of what type of math and written communication courses you will take in the fall. The next-to-the-last column (First Year Placement) describes the general education course in which you’ll be placed in the fall.

3. Students described in the yellow-shaded boxes will likely benefit from additional academic development in written communication and/or mathematics/quantitative reasoning. The Early Start program, which occurs over the summer, is designed to provide developmental assistance in one or both subjects. While Early Start may be recommended for some, it will be required for others. Please refer to the last column of the chart to determine whether you must participate in the Early Start program. Failure to participate in Early Start, if required to do so, may result in the student being ineligible to attend CSUCI in the fall. Learn more about Early Start—including how to register and associated fees—at www.csusuccess.org/earlystart or go.csuci.edu/EarlyStart.
### Mathematics/Quantitative Reasoning

<table>
<thead>
<tr>
<th>College Major</th>
<th>Course Placement Indicators for Math</th>
<th>First Year Placement</th>
<th>Early Start Required?</th>
</tr>
</thead>
</table>
| **All Majors** | 1. A score of 3 or above on the College Board AP Calculus AB or Calculus BC test, OR  
2. A score of 3 or above on the College Board AP Statistics test, OR  
3. A score of 4 or above on the International Baccalaureate (IB) mathematics HL test, OR  
4. Completion and transfer to CSU of a college course that satisfies the GE Area B4 requirement in Mathematics/Quantitative reasoning, provided such a course was completed with a grade of C- or better | Next level math course per major requirement | No |
| **Non-STEM & Undecided/Undeclared** | 1. Weighted HS Math GPA greater than or equal to 3.0 AND completion of an approved senior year course (one full year of the same course) or 5+ years of Math or Quantitative Reasoning, OR  
2. EAP Smarter Balanced Assessment Tier 3 and 4+ years of Math or Quantitative Reasoning, OR  
3. Weighted HS GPA greater than or equal to 3.7, OR  
4. Weighted HS GPA greater than or equal to 3.5 plus 4+ years of Math or Quantitative Reasoning, OR  
5. New SAT: A score of 570 or above on the mathematics section of the new SAT test, OR  
6. Old SAT: A score of 550 or above on the mathematics section of the old SAT Reasoning test, OR  
7. SAT SUBJECT TEST: A score of 550 or above on the SAT Subject Test in Mathematics (level 1 or 2), OR  
8. A score of 23 or above on the ACT Mathematics test, OR  
9. A result of “Standard Exceeded: Ready for CSU or participating CCC college-level coursework in mathematics” on the EAP Smarter Balanced Assessment exam, OR  
10. Completion of a 12th grade course beyond Algebra 2 with grade of C- or better AND any one of the following:  
   • New SAT: A score between 520-560 on the mathematics section of the SAT  
   • Old SAT: A score between 490-540 on the mathematics section of the SAT Reasoning test  
   • A score between 20-22 on the mathematics portion of the ACT  
   • A result of “Standard Met: Conditionally Ready for CSU or participating CCC college-level coursework in mathematics” on the EAP Smarter Balanced Assessment exam | GE B4 course (math) | No |
| **STEM & Pre-STEM** | 1. Weighted HS Math GPA greater than or equal to 3.5 plus completed an approved senior year course or 5+ years of Math or Quantitative Reasoning, OR  
2. Weighted HS GPA greater than or equal to 3.7, OR  
3. Refer to #5, 6, 7, 8, 9, OR 10 in the above box | STEM-level math course | No |
| **Non-STEM & Undecided/Undeclared** | 1. Weighted HS Math GPA greater than or equal to 3.3, OR  
2. Weighted HS GPA greater than or equal to 3.0 | GE B4 course (math) with supported instruction | Recommended but not required |
| **STEM & Pre-STEM** | 1. Weighted HS Math GPA greater than or equal to 3.3 | STEM-level math course with supported instruction | Recommended but not required |
| **All Majors** | Does not meet any criteria in rows above | GE B4 or STEM-level math course with supported instruction | Yes* |

- **STEM=** Science, Technology, Engineering, and Math. The following STEM majors are offered at CSUCI: Applied Physics, Biology, Chemistry, Computer Science, Environmental Science and Resource Management, Information Technology, Math, Mechatronics Engineering and Nursing.
- Weighted HS MATH GPA is calculated from “a-g” college prep Math courses.
- The “new” SAT was first implemented in March 2013.
### Written Communication

#### Course Placement Indicators for Written Communication

<table>
<thead>
<tr>
<th>College Major</th>
<th>First Year Placement</th>
<th>Early Start Required?</th>
</tr>
</thead>
<tbody>
<tr>
<td>All Majors</td>
<td>Next level English course per major requirement</td>
<td>No</td>
</tr>
</tbody>
</table>

**First Year Placement Indicators:**

1. A score of 3 or above on the College Board Advanced Placement (AP) Language & Composition test, OR
2. A score of 3 or above on the College Board AP Composition and Literature test, OR
3. Completion and transfer to CSU of a college course that satisfies the GE Area A2 requirement in written communication in the English language, provided such a course was completed with a grade of C- or better

#### GE A2 Course (written communication) for English

<table>
<thead>
<tr>
<th>All Majors</th>
<th>GE A2 course (written communication)</th>
<th>Recommended but not required</th>
</tr>
</thead>
<tbody>
<tr>
<td>All Majors</td>
<td>GE A2 course (written communication)</td>
<td>Recommended but not required</td>
</tr>
</tbody>
</table>

**Early Start Required:**

* Students who are required to participate in Early Start may complete the requirement AND satisfy developmental math and/or English by taking and passing (C- or better) an appropriate course at a California community college (CCC). Please note that not all English and math courses taken at a CCC will satisfy Early Start. Please consult the following website for details: go.csuci.edu/DevelopmentalCC

- Weighted Honors courses must be included in the official “a-g” site: www.ucop.edu/agguide. Approved honors courses will be noted in the Course Details column as being “UC Honors.” All other Honors courses will not meet the Conditional Requirement.
- Weighted HS GPA is calculated from 10th, 11th, and 12th grade “a-g” college prep courses.
### FALL 2018 IMPORTANT DEADLINES

<table>
<thead>
<tr>
<th>Date</th>
<th>Event</th>
</tr>
</thead>
<tbody>
<tr>
<td>Jan. 15, 2018</td>
<td>Deadline for CSUCI to have received your SAT/ACT test scores (if required).</td>
</tr>
<tr>
<td>March 2, 2018</td>
<td>Priority filing deadline for the Free Application for Federal Student Aid (FAFSA) or the California Dream Act Application and the CSUCI Scholarship Application.</td>
</tr>
<tr>
<td>May 1, 2018 at 11:59 p.m.</td>
<td>Deadline to submit your Intent to Enroll, choose a mandatory orientation session and pay orientation fee through myCI. This deadline may not be appealed.</td>
</tr>
<tr>
<td>May 7, 2018</td>
<td>Priority deadline to submit your on-campus housing application and deposit or fee deferral documentation through myCI. See Housing and Residential information included within this guide for additional information.</td>
</tr>
<tr>
<td>May 31, 2018</td>
<td>Priority deadline to submit required completed documents to the Financial Aid &amp; Scholarships office.</td>
</tr>
<tr>
<td>June 15, 2018</td>
<td>Deadline to report where you plan to take Early Start classes (if required) OR submit an appeal to be exempt from enrolling in Early Start classes due to an extenuating circumstance.</td>
</tr>
<tr>
<td>Early July 2018</td>
<td>Register for classes (details will be covered during orientation).</td>
</tr>
<tr>
<td>July 2, 2018 at 5:00 p.m.</td>
<td>Deadline to register for Early Start classes (if required). Late registration will not be accepted.</td>
</tr>
<tr>
<td>July 5, 2018 at 5:00 p.m.</td>
<td>Deadline to pay for Early Start classes (if required). Late payment will not be accepted.</td>
</tr>
</tbody>
</table>
| July 13, 2018 | Deadline for CSUCI to receive your final transcripts and AP scores (if any). Please have transcripts/test scores sent to:  
   CSU Channel Islands  
   Attn: Admissions  
   One University Drive  
   Camarillo, CA 93012  
   Electronic transcripts are preferred. Do NOT email or fax transcripts. Our offer of provisional admission will be withdrawn if you fail to meet the transcript deadline.  
   NOTE: Improperly addressed transcripts may not reach the Admissions Office. Please address your transcripts as noted above. |
| July 13, 2018 | Priority deadline to submit Residency documents for students with a residency status of “Another State or U.S. Possession” or “Undetermined.” Those who submit their documents after the deadline, or submit incomplete documents, may not have them processed in time for fall 2018 term. This may result in students being charged non-resident tuition for fall 2018. Please visit go.csuci.edu/CAResidency for more information. |
| Aug. 21, 2018 | Tuition/Fees payment deadline and payment due for room and board (see Housing & Residential Education section). |

### DISABILITY ACCOMMODATIONS

Disability Accommodations and Support Services (DASS) provides students with resources and disability-related accommodations to assist with their educational goals and student success. Students are strongly encouraged to register with DASS early in order to permit the necessary time to process their requests in a reasonable and timely manner.

For additional information, visit Disability Accommodations & Support Services (DASS) at go.csuci.edu/dass, call 805-437-3331 or e-mail accommodations@csuci.edu.

Information provided in this guide is subject to change. For the most up-to-date information, visit: go.csuci.edu/AdmittedFreshmen
