INTENT TO ENROLL

STEP #2: Choose a Mandatory Orientation Session

- Look for the link, "Register for Island View Orientation (IVO)." You will be directed to log back into your myCI student portal in order to register for the session that pertains to your major.

  » *IMPORTANT: Be sure to enter your preferred email address. If you do not receive an email confirmation, then you did not successfully register. Save a copy of your confirmation email as it may be necessary to prove registration.*

STEP #3: Pay the $175 Non-Refundable Orientation Fee

- After registering for an orientation session, you must complete the final step in the Intent to Enroll process: pay the non-refundable orientation fee. It is highly recommended that you **pay the orientation fee before logging out.** If you log out prior to submitting payment, you will need to use the payment link embedded in your myCI Student Center. To get there, log on to myCI and click on "CI Records" under "My Links."
- For detailed instructions, visit: go.csuci.edu/OrientationPayment

  » *IMPORTANT: Be sure to enter your preferred email address. You will receive an email confirmation if your payment was successfully received. If you do not receive an email, then your payment was not received. Save a copy of your confirmation email as it may be necessary to prove payment.*

Can I defer payment of the orientation fee?

That depends. Deferment means that payment of the orientation fee will be charged to your fall semester's account. If you are eligible for a deferment, you will find it noted in your myCI Student Center under "Holds" (visible in the upper-right corner of your portal).

Students who filed a 2020-2021 Free Application for Federal Student Aid (FAFSA) or the California Dream application on or before the March 2, 2020 deadline **AND** have an Expected Family Contribution (EFC) of 4,000 or less will be considered for a deferment; however, **not all students will qualify.** You must check the "Holds" section of your Student Center. **If you do not see reference to the deferral in the "Holds" section, then you must pay the fee by Friday, May 1, 2020 at 11:59 p.m. or our offer of admission will be withdrawn – no exceptions!**

Is the orientation fee refundable?

Once paid, the orientation fee is non-refundable and may not be applied to a future term. This means you will NOT receive a refund even if (a) you request to have our offer of admission (provisional or final) withdrawn at a later date or choose not to enroll; (b) our offer of provisional admission is withdrawn because you failed to meet an admission or enrollment requirement or deadline (including the transcript deadline); or (c) our offer of provisional admission is rescinded after reviewing your final transcript(s).

  » *IMPORTANT: You may be held responsible for paying the orientation fee if you were deferred and any of the above conditions apply.*

  » NOTE: You may submit an orientation-fee appeal to orientation@csuci.edu; however, you must have an extenuating circumstance for it to be approved.

Important Information for Pre-Nursing Majors

Students admitted as Pre-Nursing majors have NOT been admitted into the Nursing Program. While first-time freshmen may have designated Pre-Nursing as their major upon applying to the university, admission to the university does not guarantee admission to the Nursing Program nor enrollment into all classes to meet Nursing entrance requirements. Although hundreds of students will declare Pre-Nursing as a major, **very few** (about 40 per year, which includes transfer students) will actually be admitted into the Nursing Program.

Freshman applicants will apply to the Nursing Program after they have completed their prerequisites and supplemental criteria (usually in their sophomore year). Nursing is designated as an impacted major, which means that the number of applications from qualified candidates **far exceeds** the number of available seats. As such, additional criteria are used to screen applications. Applicants are ranked-ordered for admission according to a point structure: go.csuci.edu/NursingSupplemental and the top 70 applicants will be required to participate in a face to face group interview.

Students who declare Pre-Nursing as a major should carefully review the supplemental criteria and determine whether or not they will be competitive candidates. If not, they should plan to select a different major. For more information, please visit go.csuci.edu/NursingTrack1.

FINANCIAL AID INFORMATION

If you have not already applied for financial aid, file a FAFSA (https://studentaid.ed.gov/sa/fafsa) or California Dream (CADDA) (https://dream.csac.ca.gov/) application by March 2, 2020. If requested, you must submit all required and completed documents by the Financial Aid Priority Document Filing Deadline of May 31, 2020. To receive a tuition fee deferral and ensure timely processing of your financial aid award, you must meet the March 2, 2020 deadline and, if applicable, the May 31, 2020 deadline. Remember, you pay for any difference between your financial aid award and your actual fees.

Tuition fee deferrals are temporary and are issued to students who meet the priority filing and document deadlines. Tuition fee deferrals will protect enrollment and delay the payment of registration fees until the financial aid process is completed. Financial Aid students with tuition fee deferral should understand that the tuition fee deferral is for enrollment fees only and does not apply to orientation and housing charges. A separate installment payment plan (HIPP) is also available for room and board fees.

For additional information, visit Financial Aid and Scholarship at go.csuci.edu/financialaid, call 805-437-8530 or e-mail financial.aid@csuci.edu.

DISABILITY ACCOMMODATIONS

Disability Accommodations and Support Services (DASS) provides students with resources and disability-related accommodations to assist with their educational goals and student success. Students are strongly encouraged to register with DASS early in order to permit the necessary time to process their requests in a reasonable and timely manner. For additional information, visit Disability Accommodations & Support Services (DASS) at go.csuci.edu/dass, call 805-437-3331 or e-mail accommodations@csuci.edu.

RESIDENCY FOR CSU TUITION PURPOSES

Residency status determines what tuition fees you will be charged for your classes. On your admission letter, your residency status for CSU Tuition Purposes is indicated. California residency for tuition purposes eligibility criteria are established by state law and the California Code of Regulations. Your residency was determined based upon self reported information you provided on your Cal State Apply application. Please review your residency status on your admission letter.

California Resident	Qualifies for CA Resident Tuition & Fees
Another State or US Possession	Qualifies for Non-Resident Tuition & Fees
Undetermined	Defaults to Non-Resident Tuition & Fees

For information on tuition rates, please visit: go.csuci.edu/fees. If you feel your residency status for CSU Tuition Purposes is incorrect, you may request for a residency reclassification. Information regarding residency and what documents to submit is available at: go.csuci.edu/CAresidency. The priority deadline to submit your residency documents to have them reviewed prior to when tuition is due is **July 13, 2020**. Those who submit their documents after the deadline, or submit incomplete documents, may not have them processed in time for the fall 2020 term.
