How to Enroll in Early Start
(For Visiting Students)

The below steps will explain how to enroll in courses at CSU Channel Islands. This set of instructions is meant to guide students through Early Start enrollment for visiting students.

1. Open your browser, go to myci.csuci.edu and log into your portal.

2. Once you have logged in to your portal, click on CI Records under Services. You will be redirected to your Student Center.

3. In the Student Center, Click on the Early Start Program button.
4. Click on **Enroll in Early Start Program** to begin enrollment.

Note: Visiting students can only view their selections. To change existing selections, students must visit their home student center.

5. You will be redirected to the enrollment page. Click on the **search button** to find your class.
6. Use the **dropdown menu** next to **Subject**. Please note that you must enroll in both **Early Start Math** (Mathes 90) and **Mathematics** (Math 190) on our campus. Repeat steps 5 and 6 to select in both courses.

7. Once you have repeated steps 5 and 6, you will be on the **Add Class** page again. Click on **Proceed to Step 2 Of 3**.

8. Ensure your classes are correct then click on **Finish Enrolling**.
9. You will now see the View Results page for enrollment. To make sure you have green check marks like in the picture to the right, you must enroll in both courses at the same time.

You have now enrolled in the Early Start Program at CSU Channel Islands. Thank you for choosing us as your Early Start Campus. We’ll see you soon!

If you have questions about the Early Start Program, please visit our Early Start Program webpage (go.csuci.edu/EarlyStart) or e-mail admissions@csuci.edu.
