

FALL 2019 TRANSFER ENROLLMENT GUIDE

Channel Islands
CALIFORNIA STATE UNIVERSITY

INTENT TO ENROLL STEPS

To reserve your space for fall 2019, you must complete a three-step Intent to Enroll process no later than Wednesday, May 1, 2019 at 11:59 p.m. Our offer of provisional admission is only valid for the fall 2019 term. You may not defer your enrollment to a later semester. Our offer of provisional admission will be withdrawn if you fail to complete all three steps of the Intent to Enroll process, as described below, by the deadline.

1. Accept our offer of provisional admission; AND
2. Choose a mandatory orientation session; AND
3. Pay the \$50 non-refundable orientation fee.

The above three steps must be completed by Wednesday, May 1, 2019 at 11:59 p.m. in your [myCI](https://myci.csuci.edu) (myci.csuci.edu), student portal. Follow these instructions:

- Start by logging into your [myCI](https://myci.csuci.edu) and clicking on "CI Records." Your login information was sent to the email address you provided on your application.
- Once logged in, scroll down to the bottom of the page (under "Admissions") and "Accept" or "Decline" admission.
 - » **Note:** A yellow triangle will appear in your Student Center after you submit your intent to enroll. You can ignore the triangle, but you must pay close attention to items on your To Do List.
- After accepting our offer of admission, you are now ready to register for a mandatory orientation session. Look for the link, "Register for Island View Orientation (IVO)." You will be directed to log back into your [myCI](https://myci.csuci.edu) student portal in order to register for the session that pertains to your major.
 - » **IMPORTANT:** Be sure to enter your preferred email address. If you do not receive an email confirmation, then you did not successfully register. Save a copy of your confirmation email as it may be necessary to prove registration.
- After registering for an orientation session, you must complete the final step in the Intent to Enroll process: pay the non-refundable orientation fee. It is highly recommended that you **pay the orientation fee before logging out.** If you log out prior to submitting payment, you will need to use the payment link embedded in your [myCI](https://myci.csuci.edu) Student Center. To get there, log on to [myCI](https://myci.csuci.edu) and click on "CI Records" under "My Links." For detailed instructions, visit go.csuci.edu/orientationpayment.
 - » **IMPORTANT:** Be sure to enter your preferred email address. You will receive an email confirmation if your payment was successfully received. If you do not receive an email, then your payment was not received. Save a copy of your confirmation email as it may be necessary to prove payment.

Can I defer payment of the orientation fee until my financial aid award is disbursed?

This depends, as NOT ALL STUDENTS WILL QUALIFY. Students who filed a 2019-2020 [Free Application for Federal Student Aid \(FAFSA\)](#) or the [California Dream Act application](#) on or before the March 2, 2019 deadline AND have an Estimated Family Contribution (EFC) of 4,000 or less will be considered for a deferment. You must check the "Holds" section of your Student Center (visible in the upper-right corner of your portal). If you do not see "FA Orientation Deferral," then you must pay the fee by May 1, 2019 at 11:59 p.m. or our offer of provisional admission will be withdrawn – no exceptions!

If you see "FA Orientation Deferral" noted in the "Holds" section of your Student Center, then payment of the orientation fee will be charged to your first semester's account. In other words, your fee will be deferred (but not waived).

Is the orientation fee refundable?

Once paid, the orientation fee is non-refundable and may not be applied to a future term. This means you will NOT receive a refund even if (a) you request to have our offer of admission (provisional or final) withdrawn at a later date or choose not to enroll; (b) our offer of provisional admission is withdrawn because you failed to meet an admission or enrollment requirement or deadline (including the transcript deadline); or (c) our offer of provisional admission is rescinded after reviewing your final transcript(s). You may be held responsible for paying the orientation fee if you were deferred and any of the above conditions apply. Contact orientation@csuci.edu if you have any questions about the fee.

To reserve your space for fall 2019, you must complete all three steps (see above) of the Intent to Enroll process no later than Wednesday, May 1, 2019 at 11:59 p.m. Failure to do so will result in your admission being canceled, and you must reapply for a future term.

ADMISSION REQUIREMENTS - IMPORTANT REMINDER

Our offer of provisional admission was based on information you provided on your CSUCI admissions application. For you to maintain your admitted status and enroll at CSUCI in fall 2019, you must have **by the conclusion of the spring 2019 semester:**

- Completed a minimum of 60-transferable semester units (90 quarter units);
- Earned at least a 2.0 GPA in your transferable coursework;
- Been in good standing at the last institution attended; AND
- Completed the “Golden Four” basic skills courses with a grade of “C-” or better:
 - A1. Oral Communication

 - A3. Critical Thinking
 - B4. Mathematics/Quantitative Reasoning

IMPORTANT: Coursework taken in summer 2019 CANNOT be used to fulfill admission requirements for fall 2019.

NOTE: Students who earn a California Community College Transfer Associates Degree (SB 1440), also known as AA-T or AS-T, must send us a final transcript showing the degree as being “awarded” in order for the degree to be noted in their CSUCI records. **(An AA-T/AS-T is not required to be admitted to CSUCI.)** This should be done ASAP after earning your AA-T or AS-T. You are still required to submit your final official transcript by the July 1, 2019 transcript deadline even if your AA-T/AS-T degree has not been posted on your community college transcript. When your AA-T/AS-T degree is awarded by your community college, you must send another official transcript to CSUCI in order for the AA-T/AS-T degree to be noted on your record at CSUCI.
