

## Academic Disqualification GPA Recovery Plan

Name: \_\_\_\_\_ ID: \_\_\_\_\_ Major: \_\_\_\_\_ Date: \_\_\_\_\_

*Academic disqualification is a challenge, but it doesn't have to be the end of your college journey.  
You have the strength to reflect, regroup, and return stronger. This plan will help you work towards returning to CSUCI.*

---

### What does it mean to be academically disqualified?:

Academic disqualification happens when, after you have previously been on academic notice, your CSUCI and/or your overall GPA falls below the required minimum GPA based on your class level:

- Freshman (0-29 units): 1.5
- Sophomore (30-59 units) 1.7
- Junior (60-89 units): 1.85
- Senior (90+ units): 1.95

Academic disqualification means that you are no longer a student at CSUCI. However, if you decide you want to return to CSUCI, you can work towards raising your GPA(s) to 2.0 and petition for reinstatement.

You can use this guide along with the information on our [Reinstatement website](#) to create a plan to raise your GPA.

### Your Courses:

At CSUCI, you are able to [repeat](#) up to 28 units: 16 units for grade forgiveness and 12 units with grades averaged. You can repeat a single course one time, for a total of two attempts.

How many units have you repeated for grade forgiveness? \_\_\_\_\_

How many units have you repeated with grades averaged? \_\_\_\_\_

View the [Withdrawals and Repeat Totals Guide](#) if you need help finding your total repeats used. If you have exceeded the repeat limits, additional paperwork will be required to repeat courses. Review the **I need to raise my CSUCI and/or Overall GPA(s) to 2.0** section of our [Reinstatement website](#) and consult with your academic advisor for more information.

Review your course history and list any classes in which you earned a grade of C- or lower. This can help you identify courses you may want to repeat to improve your GPA.

Course	When did you take it?	What was your original grade?	Is this course required to graduate?	Do you think you could earn a higher grade if you repeated this course?

Review the [Schedule of Classes](#) for the upcoming semester and list some courses you are interested in taking. Since Open University students cannot enroll until the start of the semester, it is important to check for open sections very close to the first day of classes and enroll as soon as you can. Review this list of courses with your academic advisor.
