EVENTS

The A&FA proudly hosts 3 annual events: Mentorship & Networking Night, Alumni Wine & Beer Tasting and Dodger Day.

Mentorship & Networking Night: Registrants are paired with a mentor in their professional area of interest, network with other guests and enjoy lectures from professional speakers.

Alumni Wine & Beer Tasting: Guests enjoy local wine & beer tastings at a unique venue each year while mingling with other alumni and friends.

Dodger Day: CI Alumni & Friends will enjoy a day at Dodger Stadium! Complimentary transportation from CI to Dodger Stadium included with ticket price.

GIVING BACK

"I give back to CI to stay connected and to assist future students financially. As alums, we can provide meaningful support to students who otherwise would not have the opportunity to attend college."

VOLUNTEER

Volunteer opportunities through the A&FA include event assistance, mentorship of a recent CI grad through our Alumni Mentorship Program and volunteering your time & skills on the A&FA Board.

ALUMNI MENTORSHIP PROGRAM

The Alumni Mentorship Program pairs recent graduates with professionals in their field for one-on-one mentorship and advice. This mentorship can take place in person with our annual Mentorship Event in February or can happen through in-person meetings, phone calls or emails throughout the year. Your mentorship can be the key to unlocking doors for a CI Alum's career.

A+FA BOARD

As an A&FA Board Member, you will work directly with CI staff in creating and implementing our special events, brainstorm new ideas & attend the Board meetings with your fellow CI Alumni & Friends.

Mission Statement:

Placing the University at the center of our mission, California State University Channel Islands Alumni & Friends Association establishes traditions, engenders loyalty, and builds relationships among University students, alumni, and friends throughout the community.
