Modul8 Saxophone Quartet Concert	March 27, 2012

PLEASE EXPLAIN (1) DESCRIPTION OF ACTIVITY; (2) HOW DID THE ACTIVITY RELATE TO A COURSE(S); AND (3) WHAT YOU LEARNED FROM THE PROCESS.

- 1.) This was a concert in Malibu #140 which featured the Modul8 Saxophone Quartet.
- 2.) My "Varieties of Musical Experience" class attended this event. They also were assigned to write a paper about this experience. Thus, the art of writing was combined with the art of music. Dr. KuanFen Lin's "Music Appreciation" class also attended this concert.

The saxophone group played a mixture of classical music, jazz, swing, RagTime, and Latin music. The students were exposed to a wide variety of musical styles. The response from the students has been very positive. Samples of student feedback are attached here.

- 3.) As I was a non-paid performing member of this ensemble, I was able to design a musical program that would introduce our students to many different styles of music.

Approx. 50 students and faculty attended
 **Please attach assessment forms from students, list of attendees, peoplesoft program report this concert. The 9am starting time was a challenge to getting a bigger audience.
