The fourth is still TBD but most likely will be Veteraris Day. These service days will be under the service initiative, Serve It UP a collaboration between Mult Access Programs in Student Life and student leaders.         Now in it's second year, Serve It Up, is a year-long program, designed to contribute to building a culture of service and by providing the CSU Channe Islands community with service opportunities in Ventura County. All participants will be provided with a Serve It Up to stransportation and student leaders.         Now in it's second year, Serve It Up, is a year-long program, designed to contribute to building a culture of service and by providing the CSU Channe Islands community partnerships. The service projects will be developed in collaboration with the organization and student leaders.         Now in it's second year, Serve It Up, is a year-long program, designed to contribute to building a culture of service at (1, 2), create an opportunity to participate in several days of service.         It is our vision to "adopt" a non-profit organization each year focusing all service projects will be developed in collaboration with the organization and student teamtisme.	Requested from	3200
Considerations         Considerations           Brief Activity Description         In keeping with C1's institutional mission-based outcomes to graduate students who will possess an education to address the highly complex issues facing societies, the Center for Community Engagement is requesting funds that would allow C1 students to participate in four separate service days (i.e. United Way Day of Service, Marin Luther King Jr., Cesar Chavez Day of Service and Learning). The fourth is still TBD but most likely will be Veteran's Day. These service days will be under the service initiative, Serve It UP a collaboration between Multi Access Programs in Student Life and student leaders.           Now in it's second year, Serve It Up, is a year-long program, designed to contribute to building a culture of service and by providing the CSU Channe Islands community with service opportunities in Ventura County. All participants will be provided with a Serve It Up t-shirt, lunch, bus transportation and an opportunity to participate in several days of service.           It is our vision to "adopt" a non-profit organization each year.         The service projects will be developed in collaboration with the organization and student leaders will assist in the development, implementation and outreach for the project.           By creating a "service initiative" this cross-divisional collaboration strives to: 1) contribute to building a culture of service at Cl, 2), create an opportun to become a aware of local issues, 3) contribute to making a difference in the community arong Cl students, 4), brand servic as altruistic adventurism.           It is our goal that this initiative will eventually be led by a student committee with oversight from the CCE and Multi Access Programs in Student Life (i.e. the student committee will choose the organizatio	of Students	200
Description         issues fading societies, the Center for Community Engagement is requesting funds that vould allow CI students to participate in four separate service days (i.e.United Way Day of Service, Martin Luther King Jr., Cesar Chavez Day of Service and Learning). The fourth is still TBD but most likely will be Veteran's Day. These service days will be under the service initiative, Serve It UP a collaboration between Multi Access Programs in Student Life and student leaders.           Now in it's second year, Serve It Up, is a year-long program, designed to contribute to building a culture of service and by providing the CSU Channe Islands community with service opportunities in Ventura County. All participants will be provided with a Serve It Up t-shirt, lunch, bus transportation and an opportunity to participate in several days of service.           It is our vision to "adopt" a non-profit organization each year focusing all service events at this one site, doing so allows for mutual campus- community benefits and sustainable community partnerships. The service projects will be developed in collaboration with the organization and student leaders will assist in the development, implementation and outreach for the project.           By creating a "service initiative" this cross-divisional collaboration strives to: 1) contribute to building a culture of service at (1, 2), create an opportun to become a aware of local issues, 3) contribute to making a difference in the community 4) create a community among CI students, 4). brand servic as altruistic adventurism.           It is our goal that this initiative will eventually be led by a student committee with oversight from the CCE and Multi Access Programs in Student Life (i.e. the student committee will choose the organization to adopt, lead outreach and marketing efforts and implement and oversee the service days)		Field Trip
