Description intellectual experience. The Campus Reading Celebration Task Force is made up of representatives from across the university. All members of tic campus community (students, faculty, staff, and administration) will have the opportunity to: -Read the same Campus Reading Celebration book that will focus on one or more of the CSUCI Pillars (Interdisciplinarity, International Perspectives, Multicultural Perspectives, and Service Learning and Civic Engagement. -Discuss the Campus Reading Celebration book with each other in both formal and informal settings. -Interact with the author of the Campus Reading Celebration book to aid in the demystification of books and/or authors -Engage in open dialogue relating to multicultural perspectives, international perspectives, interdisciplinarity and/or service learning and civic engagement. -Experience a CSUCI program that combines co-curricular and curricular activities. -Have an all campus experience, the entire community engaging in one activity. Learning Cutcomes and Relation to IRA to IRA to any substantial opportunity to interact with the author of a book they have read. The Campus Reading Celebration adue to hear the author read from their work and talk about that work, including how she Caurse Offerings Course Offerings Description of Assessment providing students an opportunity to base that all opportunity to interact with that author. By providing students an opportunity to see that books are not dead artifacts but vibrant entities with which they can interact through reading, discussing with peers, professors, and their families and friend (all of whom are intrived), we seek to emover them to become engaged readers who incorporate books into their critical trinking. Encorulenting that author of a book they have read,		Artist/Performer/Speaker Fees & Honoraria, Large Event, IT Requirements, Space/Facilities Services Requirements
Outcomes and Relation to IRA to Course Offerings CSUCI have never before attended an event in which they/ve had the opportunity to encounter the author of a book they have read. The Campus Reading Celebration attempts to give them not only a chance to hear the author read from their work and talk about that work, including how s/he course Offerings Curse Offerings CSUCI have never before attended an event in which they/ve had the opportunity to encounter the author read from their work and talk about that work, including how s/he artifacts but vibrant entities with which they can interact with that author. By providing students an opportunity to see that books are not dead artifacts but vibrant entities with which they can interact with that author. By providing students an opportunity to see that books are not dead artifacts but vibrant entities with which they can interact with that author. By providing students an opportunity to see that books are not dead artifacts but vibrant entities with which they can interact with that author. By providing students an opportunity to see that books are not dead author of a book they have read, particularly a famous and/or prestigious author such as several we have had –Jered Diamond, Pulitzer Prize win Junot Diaz, Muhamad Yunnis, Terry Tempest Williams, for example - is the culmination of that experience. Description of Assessment Process The CRC is an annual event at CI and is an important part of our culture and curriculum. The book, which is nominated by and chosen by the entit campus, is used throughout the campus in different disciplines, and often lives on in our collections, pedagogy, and collective memory. For exam during fall semester, 2015, 1,500 books are distributed to the university population. That Cotober, following a lecture, multidisiplinary panel, and classroom visits, 500 people attended the Campus Reading Cel		intellectual experience. The Campus Reading Celebration Task Force is made up of representatives from across the university. All members of the campus community (students, faculty, staff, and administration) will have the opportunity to: -Read the same Campus Reading Celebration book that will focus on one or more of the CSUCI Pillars (Interdisciplinarity, International Perspectives, Multicultural Perspectives, and Service Learning and Civic Engagement. -Discuss the Campus Reading Celebration book with each other in both formal and informal settings. -Interact with the author of the Campus Reading Celebration book to aid in the demystification of books and/or authors -Engage in open dialogue relating to multicultural perspectives, international perspectives, interdisiciplinarity and/or service learning and civic engagement. -Experience a CSUCI program that combines co-curricular and curricular activities.
Assessment campus, is used throughout the campus in different disciplines, and often lives on in our collections, pedagogy, and collective memory. For exam Process campus, is used throughout the campus in different disciplines, and often lives on in our collections, pedagogy, and collective memory. For exam Process campus, is used throughout the campus in different disciplines, and often lives on in our collections, pedagogy, and collective memory. For exam Process casproam visits, 500 people attended the Campus Reading Celebration to hear author Karen Joy Fowler's keynote address. The Campus Reading Celebration Task Force will report statistics associated with that event, particularly attendance and the number of classes i use the book as part of the syllabus. The Task Force will also circulate, collect, and report the results of a survey given to all attendees. We believe the survey will be beneficial in assisting with the choice of a CRC book and the author going forward. Activity Budget CRCBudget2017.xlsx CIA Budget —	Outcomes and Relation to IRA to	CSUCI have never before attended an event in which they've had the opportunity to encounter the author of a book they have read. The Campus Reading Celebration attempts to give them not only a chance to hear the author. By read from their work and talk about that work, including how s/he came to write it, but also a substantial opportunity to interact with that author. By providing students an opportunity to see that books are not dead artifacts but vibrant entities with which they can interact through reading, thinking, discussing with peers, professors, and their families and friends (all of whom are invited), we seek to empower them to become engaged readers who incorporate books into their critical thinking. Encountering the author of a book they have read, particularly a famous and/or prestigious author such as several we have had –Jered Diamond, Pulitzer Prize winner
use the book as part of the syllabus. The Task Force will also circulate, collect, and report the results of a survey given to all attendees.
