▼ 2. Brief Activity Description

Describe the activity and its relationships to the educational objectives of the students' program or major

Brief Activity Description

This Beatles Guest artists series has featured Beatles engineer, Geoff Emerick, Beatles cover and tribute bands, and former Paul McCartney and Wings guitarist, Laurence Juber. After Mr. Emerick's untimely death last October, I decided to scale down the amount of the academic year award and feature Beatles cover bands and other music industry professionals. The guest artists are an invaluable experiential learning experience for the students.

▼ 3. Learning Outcomes and Relation of IRA to Course Offerings

All IRAs must be integrally related to the formal instructional offerings of the University and must be associated with scheduled credit courses.

1. Please list all classes that directly relate to the proposed activity.
2. For each class listed, describe in detail how exactly the IRA activity will be integrated with the class's activities, how often/ on what expected date(s), and to what extent

▼ 4. Activity Assessment

Describe the assessment process and measures that the program will use to determine if it has attained its educational goals.

Please note that a report will be due at the end of the semester.

Description of Assessment Process

A Qualtrics survey is distributed to students after the event. The students in the PAMU/ART231 Beatles courses are required to write a summary review paper on the benefits of the guest artists visit. I will also be submitting a completed IRA report. Additionally, most students comment in their SRT evaluations that the guest artists visit was the highlight of the class and brings all the music and history they studied in the class come to life.

5. Activity Budget

Please enclose a complete detailed budget of the entire activity. Indicate specific items that you are requesting IRA to fund.

You should use either the Regular Activity budget (for events on campus) or -- if your event involves any travel-- you MUST use the IRA Travel Budget Form.

You can download both of the IRA Excel Budget sheets at <http://www.csuci.edu/ira/application.htm>.

The intended audience is specifically the students in the ART/PAMU231 The Beatles classes as well as CI students campus-wide. We also have had many faculty, staff and members of the local community attend this series in past years.

There will be fliers made for the event, the students will be told in class and the dates will be their syllabus, and the event will be advertised on the Performing Arts calendar, announced on the University event calendar, the Performing Arts and University Facebook pages, and on the TV screens in the Broome library.

If this is an event that is off campus, how do you plan to bring back the benefit of this event to campus?
