### Proposal Title

English Speaker Series 2021-22

### Total Amount Request from IRA

4,200

### Brief Activity Description

The English Program has a long history of bringing innovative, exciting authors and scholars to campus. Previous events have included renowned scholars, National Book Award Finalists, NEA fellows, and award-winning fiction writers. We have hosted a rich, multicultural mix of intellectuals to speak about topics ranging from emigrating to the US from Mexico, revolution in Nicaragua to the Yellow Power movement in San Francisco to the CIA's MKULTRA program to writing scripts for cop shows. We have managed to bring these writers to campus for far below their typical speaking fee. Starting in the spring of 2015, we began to pool our efforts into a single Speaker Series. Rather than each faculty member writing individual IRA grants each time we seek to bring an author or scholar to campus, we've begun writing this single grant to fund a series. By collaborating in this way, we have more effectively promoted these events to the community. While our events have been hugely successful among students, we had difficulty reaching interested parties outside of campus. This unified series has allowed us to work with area high school and community college English faculty. It also has allowed us to present a more unified vision of the program. Over the past six years, the English Speaker Series has been a better bargain for students. When we have a set amount of money within which we can work, we can budget better and offer more economical speaking fees.
