- [#17.14](#) Broome Library - Furniture For Student Study Areas

Provide a summary report of your submission and how MSFT funding has helped improve resources and experiences for students at CI? If your submission has a sustainability element, how has this contributed to CI's sustainability efforts? Feel free to add photos.

With our MSFT funding, Broome Library purchased study carrels, open study tables and chairs, and added additional electrical outlets to accompany these spaces (see attached photos). This furniture provided 50 additional individual/two-person study spaces upstairs, as well as 24 additional spaces for group work downstairs in the Library.

Provide a summary of the status of your budget. Were you within budget? Was the entire allocation spent by end of FY? Overspent? An extension requested due to scope/materials change?

The award for this project was \$89,977. This project was within budget and we will be underspent.

- Furniture \$76,038.31
- OPC \$4,758.49

There will be a remaining balance of \$9,180.20

Additional Statements:

Broome Library is extremely grateful to the MSFT Committee for funding this request. Both of these areas are heavily used (especially during recent final exams) and the Library has received many positive comments about these areas (along with requests for more study spaces/furniture ☺). Thank you again for funding this request. ~Debi Hoffmann
