

## **17-18 MSFT Progress Report**

Our MSFT proposal requested funding for: **17.20 Student Media Equipment**

*Provide a brief summary of the status of your submission. Feel free to add photos.*

With the MSFT funds, we were able to purchase, digital cameras, tripods, graphic calculators, and camera accessories. Our students heavily use these items and we always have a waiting list for this equipment.

*Provide a brief summary of the status of your budget. Are you within budget? Will you expect to spend your entire allocation by end of FY?*

The award for this project was \$38,650. This project was within budget and we will be underspent.

- Nikon Cameras (10), tripods (10) and accessories \$28,923.75 (PO 20599)
- Graphic Calculators \$1,206 (Procard)
- Digital Cameras (14) and accessories \$5,403.86 (PO 21310)  
\*\*\* Submitted extension request. Waiting for approval.

There will be a remaining balance of \$3,116.39\*

\*Camera vendor (Adorama) did not charge sales tax, which we accounted for, resulting in a balance.

*Additional Comments?*
