Provide a summary report of your submission and how MSFT funding has helped improve resources and experiences for students at CI? If your submission has a sustainability element, how has this contributed to CI's sustainability efforts? Feel free to add photos.

The MSFT funds were used to upgrade technology resources in classrooms and labs across campus for students and faculty in the classrooms. This upgrade allowed students to have access to the most current technology. This technology includes desktop computers, laptops, and audio visual equipment that is fast, reliable and efficient.

Provide a summary of the status of your budget. Were you within budget? Was the entire allocation spent by end of FY? Overspent? An extension requested due to scope/materials change?

Please see the attached IT-MSFT Allocations Spending Summary Tracking report. After adjustments for prior year, we had a surplus in the amount of \$21,755.09.
