Please describe how the use of MSFT funds for this project or activity will benefit the CI student body.

Please provide the following in your application. You may attach additional files as needed (applicants may be requested to meet with the committee to discuss proposals)

1. Brief Project Description

Describe the project and its benefits to the educational or co-curricular experience of students at CI. Please provide specific information about how MSFT funds will be used and their impact on the campus. Please describe how this project benefits CI students? Please describe items and provide justification if your request includes the purchase of computers, equipment, furniture or other materials. Please provide a timeline for implementation of the proposed project. If physical improvements are requested please describe need, scope and impact of work to be completed. If the project includes provision of services please indicate the type of service, personnel costs and level or quantity of service to be provided with project funds.

2. Project/Activity Budget

Please enclose a complete detailed budget of the entire project. Indicate specific items of requested MSFT funding including (where applicable) a schedule and priority of project items to be considered if the project is funded at a reduced level. Were other, less costly, approaches considered when preparing the budget for the project? Are there elements that could be eliminated or deferred if funding is not available for the entire project?

3. Project Assessment

Describe how the effectiveness of the project will be assessed and measures that will be used to determine if it has attained its objectives. Please note a report will be due at the end of the semester (or fiscal year for annual projects). If funded, how will the project acknowledge the use of student funds so that students are aware that their student fees made (or helped to make) it possible? If appropriate, indicate how the project or activity promotes sustainability at CI.

4. Sources of Project Support

Please list the other sources of funding, and additional support for the activity. If this project or activity has been conducted previously please indicate how it was funded. Please explain if MSFT is the only source of support for the project.

Brief Project Description

In order to provide the best experience for students miscellaneous IT items are needed on campus. Due to lack of funds, the Division of Technology & Innovation (T&I) is unable to fulfill all these request. Items on the list can make daily student IT experiences better.

T&C proposes: 1) AV inventory to include bulb and other emergency supplies for AV repairs.

Equipment shall be procured and installed over the course of the 2018-2019 fiscal year.

Replacement of equipment shall take place according to priority determined based on need and to minimize disruption to curricular or co-curricular activities.

Project/Activity Budget

The miscellaneous IT items listed below are based on the opinion of T&I employees and their familiarity with the age, condition and usage of the items affected. This proposal (and the detailed, prioritized budget attached in Excel) are meant to facilitate a la carte selection for upgrades desired by the committee.

Project Assessment

1. Timeliness of installation and/or upgrade of affected computers
2. Installation and/or upgrade process proceeds according to listed priority.
3. The rate of hardware failure in upgraded locations decreases or remains the same.
- Student satisfaction with IT equipment will be gauged in a satisfaction survey.
- To acknowledge the use of student funds, small stickers may be affixed to each affected device as desired. In addition, T&I can create and post acknowledgement in rooms whose equipment has been upgraded, at the rate of ~\$50 per room.
