California State University Channel Islands Foundation
Business & Technology Partnership (B&TP)
7th Annual B&TP Leadership Dinner
2011 Technologist of the Year Award
Nomination Criteria

PURPOSE:  In 2002 the CSU Channel Islands Foundation established the Business & Technology Partnership (B&TP) to foster the collaboration of technology and related service based companies with the University to promote excellence among its students, faculty and staff for the benefit of the region's economy. In spring 2005, the B&TP hosted its inaugural Leadership Dinner to help raise funds for student scholarships and honored its first Technologist of the Year.

ELIGIBILITY REQUIREMENTS:
In order to qualify for the Technologist of the Year Award, nominees must be:

1. A technologist within Ventura, Santa Barbara or northern Los Angeles Counties.
2. Has contributed to or supported education.

EVALUATION:
Nominees who meet the initial eligibility criteria will be evaluated on the following traits, with relative emphasis indicated by points shown:

1. Contributed to new and/or innovative products, processing technologies, or productivity leading to enhancing business 30 points
2. Community Involvement & Leadership 30 points
3. Promoting Quality Education 25 points
4. Technology leadership skills 15 points

NOMINATION PROCESS:
Those interested in submitting a nomination must fill out an official B&TP nomination form. Forms are available on the B&TP web site at http://www.csuci.edu/btp/index.htm

Multiple nominations may not necessarily strengthen the overall nomination; however, a nominee’s chances will not be penalized if several nominations are received. Self-nominations will be accepted.

SELECTION PROCESS:
1. Nominations must be received in the CSU Channel Islands University Advancement offices by 5:00 p.m. on Monday, February 14, 2010.
2. University staff will screen nomination ballots to determine if eligibility criteria are met.
3. A judging committee of B&TP Leadership Dinner members will confidentially evaluate eligible nominees.

AWARD CEREMONY:
The CSU Channel Islands B&TP Technologist of the Year Award will be presented at the 7th Annual Leadership Dinner, scheduled for Thursday, April 28, 2011 at the Mandalay Beach Resort in Oxnard, CA.
The CSU Channel Islands Business & Technology Partnership is seeking nominations for the Technologist of the Year Award. Business owners and companies are encouraged to nominate individuals who they feel are deserving of recognition for their significant contributions to technology and the community in Ventura, Santa Barbara and northern Los Angeles Counties. The honoree must work in any of the three aforementioned counties and their community service must have contributed to the betterment of the region.

ELIGIBILITY REQUIREMENTS:
In order to qualify for the Technologist of the Year Award, nominees must be:

1. A technologist in Ventura, Santa Barbara or northern Los Angeles Counties.
2. Has contributed to or supported education.

EVALUATION:
Nominees who meet the initial eligibility criteria will then be further evaluated. Some aspects to be considered include:

1. Outstanding contributions to new and/or innovative products, processing technologies, or productivity leading to enhancing business
2. Long-standing Community Involvement & Leadership
3. Promoting Quality Education
4. Excellent technology delivery leadership skills
