Chapman**

# Agenda

- State and CSU 15/16 budget outlook
- CI Budget assumptions for FY16
- Calendar At-a-Glance
- Discussion Points/Next Steps

# State Level

- Entering 3<sup>rd</sup> year of Governor Brown's multi-year investment plan.
  - Challenged by debts, deferrals and other budgetary obligations greater than \$300B
- Governor's 2015/16 budget proposal highlights:
  - 3% Appropriation Increase \$119.5M; does not meet CSU need

# CSU System Level

- CSU anticipates \$119.5 million as part of Governor's multi-yr plan.
- Request for an additional \$97.1M
- Tuition Fee Revenue \$52.4M
- CSU Debt Authority
  - Doesn't address \$1.8B backlog in Deferred Maintenance

# CSU System Level

- Highlights of 2014/15 CSU Support Budget
  - \$23.1 million for mandatory cost increases (employee benefits and new space)
  - \$65.5 million for a 2 percent compensation increase pool
  - \$103.2 million for a 3 percent enrollment increase (10,400 FTEs)
  - \$38 million for Student Success and Completion Initiatives
  - \$25.0 million for facilities maintenance and infrastructure needs
  - \$14 million for Information Technology Infrastructure Upgrade and Renewal
  - \$0.2 million for Center for California Studies

# University Level

## Draft Assumptions for FY16:

- CSU commitment for enrollment growth
  - CI requesting 8% or 400 FTES
  - Also modeling scenario at 3% or 150 FTES
- Tuition remains flat
- Multi-year budget model
- Unfunded mandatory cost increases- health care, insurance, utilities
- Contingency
- All funds budgeting
