

Employer Guidelines

CSU Channel Islands (CSUCI) Career Development Services (CLD) serves employers that offer full-time, part-time, internship, or on-campus positions to enrolled students and/or CSUCI alumni.

We reserve the right to refuse service to employers at the discretion of the CLD staff due to any objectionable activities, including, but not limited to: requiring at the time of application personal information such as bank and social security number; misrepresentation by dishonest information or absence of information; student complaints; fraud; failure to adhere to CLD procedures or any violation of California State University, local, state, or federal laws.

Non-Discrimination Policy

CSUCI is committed to serving the diverse educational needs of the people of the State of California and the world's diverse population. CSUCI strives to maintain inclusive educational and work environments that value diversity and foster mutual respect. As established under California State University Executive Orders 1096 and 1097, it is CSU policy to provide equal opportunity for all persons regardless of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, and military and veteran status in its programs and activities. CSUCI provides equal accommodations, advantages, facilities, privileges and services for all members of the campus community, as well as third parties, in its programs and activities. Insofar as employees are concerned, the CSU non-discrimination policy extends to all employment practices, including recruitment, selection, hiring, promotion, training, compensation, benefits, transfer, separation, and other terms, conditions, or privileges of employment. Further, the CSU prohibits harassment of any kind, including sexual harassment and sexual violence, dating violence, domestic violence, and stalking, as well as retaliation against individuals who oppose behavior they reasonably believe constitute discrimination or harassment, who participate in an investigation of such alleged behavior, or who report/assist with making a report of such alleged behavior to the University. Such behavior violates both law and University policy. Additionally, the CSU provides reasonable accommodation to qualified persons with disabilities unless doing so would impose an undue hardship.
