CSUCI IS VIRTUAL FOR FALL

We welcome you to the start of the fall semester August 24! As the health and safety of our dolphin pod remains our top priority, our students are preparing to embark on a distinctly different college experience this fall. For the latest information on campus plans visit <https://www.csuci.edu/news/campus-updates/fall-2020/>.

RECRUITING AT CSUCI

As we move programming to a virtual platform, Career Development & Alumni Engagement offers a number of opportunities to our employer partners including options with our social media platforms. For more information visit us @ go.csuci.edu/hirecsuci and scroll to view the Fall 2020 PDF.

WE NEED YOUR INPUT!

We would like to ask for your assistance in completing our Employer Annual Survey. The data collected not only helps guide how we serve our students and alumni, but also helps to benchmark against data from campuses across the nation. Just scan the QR code or visit go.csuci.edu/hirecsuci for the link!

VIRTUAL CAREER FAIR!

CSUCI's premier event goes Virtual once again and we have two opportunities for you this Fall. Mark your calendars to join us for our Fall Fair on Wednesday, September 30th and again for our Winter Fair on Thursday, December 3rd from 8am - 4pm. We have packages available so register today at go.csuci.edu/careerfair.
