

Join our team as an Associate Governmental Program Analyst!

We're hiring AGPAs in Atascadero, California!

The Department of State Hospitals-Atascadero is a secure, public sector hospital located on California's Central Coast. We provide forensic services for an adult male population suffering from a wide range of mental illnesses, and our patients are committed to us through the courts of the State of California.

AGPAs are assigned to work on a broad range of governmental and managerial problems that may be interdisciplinary in nature. They perform assignments such as program evaluation and planning; policy analysis and formulation; systems development; budgeting, planning, management, and personnel analysis; and continually provide consultative services to management or others.

Salary and Benefits

- **Salary: \$5,684 - \$7,114/month**
- Diverse career advancement opportunities
- Excellent medical, dental, and vision benefits
- Generous CalPERS retirement package
- Eleven paid state holidays per year
- Two Professional Development Days per fiscal year
- Child care center located on-site
