### 60 Second Elevator Pitch

An elevator pitch is a brief way of introducing yourself and connecting with someone. These are helpful when you are at an event and meet prospective job or network connections.

#### Tell me about yourself?

- I. Who you are? Your name and something that differentiates you from your peers (major/degree, athlete, veteran). Education (Coursework, Major)

---

---

---

---

- II. Your specific goal/career interest? Why do you want to go into this field?

---

---

---

- III. 2 to 3 Experiences that have influenced you to go into your desired field?

- How you have demonstrated your interest. Demonstrate your interest and experience in the field with examples of things you have already completed. Don't just say "I have always wanted be a translator," but instead "I have taken several Spanish courses and volunteered in my community and now I am looking to develop additional skills with your organization."
- Why you are qualified? Demonstrate your qualifications by sharing leadership and work experience, achievements, expertise, skills and strengths.

---

---

---

---

- IV. A question or request for assistance. Example: "Can you tell me more about your internship program in \_\_\_\_\_?"
