### **Overview and Summary**

Critical need and justification for a multi-project development:

**Enrollment Growth** CI is a growing campus with increasing demand; full buildout at 15,000 FTES.

**Academic Need** Enrollment growth requires additional academic space for faculty and students to interact and engage in scholarly work. Lecture and laboratory space is a critical need.

**Student Housing** Enrollment growth requires additional on campus student housing that is currently over-capacity. CI can accommodate over 400 additional students living on campus with current enrollment.

**Residential Real Estate Market** Real estate market in Ventura County is showing signs of improving. Phase 2A/B development opportunity exists.
