INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
California State University, Channel Islands Foundation (Foundation)
Camarillo, California

We have audited the accompanying financial statements of California State University, Channel Islands Foundation as of and for the year ended June 30, 2019, and the related notes to the financial statements, which collectively comprise the organization's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of California State University, Channel Islands Foundation as of June 30, 2019, and the respective changes in financial position, and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITORS' REPORT - Continued

Report on Summarized Comparative Information

We previously audited the California State University, Channel Islands Foundation's 2018 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated September 14, 2018. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2018, is consistent, in all material respects, with the audited financial statements from which it has been derived.

The summary financial statements do not contain all the disclosures required by accounting principles generally accepted in the United States of America. Reading the summary financial statements, therefore, is not a substitute for reading the audited financial statements of California State University, Channel Islands Foundation.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis information on pages 3 through 8 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The GASB Schedule of Net Position, GASB Schedule of Revenues, Expenses and Changes in Net Position, Expenses by Natural Classification, and Other Information are presented for purposes of additional analysis and are not a required part of the basic financial statements. The GASB Schedule of Net Position, GASB Schedule of Revenues, Expenses and Changes in Net Position, Expenses by Natural Classification, and Other Information are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the GASB Schedule of Net Position, GASB Schedule of Revenues, Expenses and Changes in Net Position, Expenses by Natural Classification, and Other Information are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

**CALIFORNIA STATE UNIVERSITY, CHANNEL ISLANDS FOUNDATION
MANAGEMENT’S DISCUSSION AND ANALYSIS (UNAUDITED)
FOR THE YEAR ENDED JUNE 30, 2019**

This section of California State University, Channel Islands Foundation (Foundation) annual financial report presents our discussion and analysis of the financial performance of the Foundation for the fiscal year ended June 30, 2019. This discussion has been prepared by management and should be read in conjunction with the financial statements and notes.

Introduction to the Financial Statements

This annual report consists of a series of financial statements prepared in accordance with the Governmental Accounting Standards Board (GASB) Statements No. 34, *Basic Financial Statements – and Management’s Discussion and Analysis – for State and Local Governments*, No. 35, *Basic Financial Statements – and Management’s Discussion and Analysis – for Public Colleges and Universities*, No. 37, *Basic Financial Statements – and Management’s Discussion and Analysis – for State and Local Governments: Omnibus*, and No. 38, *Certain Financial Statement Note Disclosures*. For reporting purposes, the University is considered a special-purpose government engaged only in business-type activities, which best represent the activities of the Foundation.

The financial statements include the statement of net position; the statement of revenues, expenses, and changes in net position; and the statement of cash flows. These statements are supported by the notes to the financial statements and this section. All sections must be considered together to obtain a complete understanding of the financial picture of the Foundation.

Statement of Net Position – The statement of net position includes all assets and liabilities. Assets and liabilities are reported at their book value, on an accrual basis, as of the statement date. It also identifies major categories of restrictions on the net position of the Foundation.

Statement of Revenues, Expenses, and Changes in Net Position – The statement of revenues, expenses, and changes in net position presents the revenues earned and expenses incurred during the year on an accrual basis.

Statement of Cash Flows – The statement of cash flows presents the inflows and outflows of cash for the year and is summarized by operating, noncapital financing, capital and related financing, and investing activities. The statement is prepared using the direct method of cash flows and, therefore, presents gross rather than net amounts for the year’s activities.

Analytical Overview

Summary

The following discussion highlights management’s understanding of the key financial aspects of the Foundation’s financial activities. Included is an analysis of current year activities and balances; a discussion of restrictions of Foundation net position; a discussion of capital assets and long-term debt; and factors impacting future reporting periods.

**CALIFORNIA STATE UNIVERSITY, CHANNEL ISLANDS FOUNDATION
MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)
FOR THE YEAR ENDED JUNE 30, 2019**

The Foundation's summary of net position as of June 30, 2019 and 2018 are as follows:

Condensed Summary of Net Position

	<u>June 30,</u>			
	<u>2019</u>	<u>2018</u>	<u>\$ Change</u>	<u>% Change</u>
Assets:				
Current assets	\$ 3,032,172	\$ 2,892,540	\$ 139,632	4.83%
Other noncurrent assets	<u>23,617,076</u>	<u>22,899,654</u>	<u>717,422</u>	<u>3.13%</u>
Total assets	<u>26,649,248</u>	<u>25,792,194</u>	<u>857,054</u>	<u>3.32%</u>
Liabilities:				
Current liabilities	460,347	966,154	(505,807)	(52.35%)
Other noncurrent liabilities	<u>178,368</u>	<u>188,560</u>	<u>(10,192)</u>	<u>(5.41%)</u>
Total liabilities	<u>638,715</u>	<u>1,154,714</u>	<u>(515,999)</u>	<u>(44.71%)</u>
Net position:				
Restricted	23,988,725	21,405,034	2,583,691	12.1%
Unrestricted	<u>2,021,808</u>	<u>3,232,446</u>	<u>(1,210,638)</u>	<u>(37.5%)</u>
Total net position	<u>\$ 26,010,533</u>	<u>\$ 24,637,480</u>	<u>\$ 1,373,053</u>	<u>5.57%</u>

Assets

Total assets increased by \$857K compared to prior year. This is primarily due to a net change of an increase of investment earnings of \$833k and \$740k in related party receivables attributable to prior and current year corrections of the Cottage Program offset by a decrease of Pledges Receivables of \$887.

Liabilities

Total liabilities decreased by \$516K compared to prior. This is primarily a result of a decrease in related party payables revenue of \$509K.

Net Position

Total net position increased by \$1.4M compared to prior year. This is primarily due to an increase related Capital Projects of 1.1 million to support the Performing Arts Building and 1.1 million for the Central Mall.

**CALIFORNIA STATE UNIVERSITY, CHANNEL ISLANDS FOUNDATION
MANAGEMENT’S DISCUSSION AND ANALYSIS (UNAUDITED)
FOR THE YEAR ENDED JUNE 30, 2019**

Operating Revenues and Expenses

Operating revenues and expenses come from sources that are connected directly to the Foundation’s business function. Revenues come from other operating revenues which include sales of goods and services associated with fundraising activities and other miscellaneous revenue. Expenses include categories such as gift to university, supplies and other services, scholarships and fellowships. In this discussion and analysis, expenses are reported by functional program such as instruction, research, public service, academic support, student services, institutional support, operation and maintenance of plant, student grants and scholarships.

Operating Revenues

Total operating revenues show a decrease from prior year of \$11K. This is primarily due to funds raised for the President’s Farewell Dinner.

Operating Expenses

Total operating expenses decreased by \$838K versus prior year and are attributable to a reduction in Instruction related expenses

The following chart presents the distribution of resources in support of the Foundation’s mission for fiscal years 2019 and 2018:

**CALIFORNIA STATE UNIVERSITY, CHANNEL ISLANDS FOUNDATION
MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)
FOR THE YEAR ENDED JUNE 30, 2019**

Nonoperating Revenues (Expenses)

Nonoperating revenues (expenses) come from sources that are not part of the Foundation's primary business functions. Included in this classification are categories such as gifts noncapital, gifts in-kind, and investment income. Total nonoperating revenues (expenses) increased by \$725K primarily due to increases of gifts of \$1M and decreases of in-kind gifts of \$351K.

**CALIFORNIA STATE UNIVERSITY, CHANNEL ISLANDS FOUNDATION
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2019**

1. ORGANIZATION

California State University, Channel Islands Foundation (Foundation) was created on August 28, 1996, pursuant to the General Nonprofit Corporation Law of the State of California and was organized to promote and assist education, administration and related services of the California State University, Channel Islands. The Foundation operates as an auxiliary organization of the California State University, Channel Islands (University) under an operating agreement with the Trustees of the California State University (the Trustees), which goes through June 30, 2019.

2. SUMMARY OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Presentation

The accompanying financial statements have been prepared using the economic resources measurement focus and the accrual basis of accounting in accordance with U.S. generally accepted accounting principles, as prescribed by the Governmental Accounting Standards Board (GASB). Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

Election of Applicable FASB Statements

The Foundation has elected to follow standards of accounting and financial reporting issued by the Financial Accounting Standards Board (FASB) prior to November 30, 1989, unless those standards conflict with or contradict guidance of the GASB. The Foundation also has the option of following subsequent private-sector guidance subject to the same limitation. The Foundation has elected not to adopt the pronouncements issued by the FASB after November 30, 1989.

Financial Reporting Entity

The financial statements include the accounts of the Foundation. The Foundation is a government organization under accounting principles generally accepted in the United States of America and is also a component unit of the University, a public university under the California State University system. The Foundation has chosen to use the reporting model for special-purpose governments engage only in business type activities.

**CALIFORNIA STATE UNIVERSITY, CHANNEL ISLANDS FOUNDATION
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2019**

2. SUMMARY OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES – Continued

Net Position

The Foundation's net position is classified into the following net asset categories:

Restricted – non expendable endowments – Net position resulted from contributions restricted by the donor for investment in perpetuity. The investment incomes generated by the endowments are to be used for scholarships for University students and programs described by the respective donors.

Restricted – expendable – Net position subject to externally imposed conditions that can be fulfilled by the actions of the Foundation or by the passage of time.

Unrestricted – All other categories of net position. In addition, unrestricted net position may be designated for use by management of the Foundation or have legislative or bond indenture requirements associated with their use. These requirements limit the area of operations for which expenditures of net position may be made and require that unrestricted net position be designated to support future operations in these areas.

The Foundation has adopted a policy of generally utilizing restricted-expendable funds, prior to unrestricted funds when an expense is incurred for purposes for which both are related.

Cash and Cash Equivalents

For purposes of the statement of cash flows, cash and cash equivalents include all highly liquid debt instruments with a maturity of three months or less from date of purchase. The Foundation maintains its cash and cash equivalents in bank accounts which, at times, may exceed federally insured limits. The Foundation has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash.

Receivables

Receivables consist of a charitable gift annuity and other miscellaneous receivables. The Foundation uses the allowance method of accounting for receivables determined to be potentially uncollectable. As of June 30, 2019 the Foundation made no provision for possible uncollectible accounts receivable.

Pledges Receivable, net

Unconditional promises of private gifts to the Foundation are recorded as pledges receivable and revenue in the year promised at the present value of expected cash flows including consideration of collectability. Conditional promises and intentions to give are recognized as receivables and revenue when the specific condition and/or eligibility and recognition requirements are met. There were no conditional promises to give at June 30, 2019.

**CALIFORNIA STATE UNIVERSITY, CHANNEL ISLANDS FOUNDATION
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2019**

2. SUMMARY OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES – Continued

Prepaid Expenses

Prepaid deposits and other costs are expensed ratably over their respective terms of agreement.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of net position. Unrealized gains and losses are included in the change in net position in the accompanying Statement of Revenue, Expenses, and Changes in Net Position.

The fair value of investments in securities is based on the quoted market price of the underlying securities.

Investment income is reported net of related expenses as increases or decreases in unrestricted net position unless a donor restricts their use.

Deferred Revenue

Deferred revenue consists of advance payments received for special events.

Revenues

The Foundation derives its operating revenues primarily from sales and services of goods through fundraising activities; raffle tickets, bazaar and art sales.

Classification of Revenues

The Foundation considers operating revenues and expenses in the statement of revenues, expenses, and changes in net position to be those revenues and expenses that result from exchange transactions or from other activities that are connected directly to the Foundation's primary functions. Exchange transactions include charges for services rendered and the acquisition of goods and services. Certain other transactions are reported as non-operating revenues and expenses or in accordance with GASB Statement No. 35.

Gifts-In-Kind

Gifts-in-kind consist of donations of nonmonetary supply items and are recorded at their fair market value at the date of the gift. Total gifts-in-kind consists primarily of books, materials and supplies and are reflected as In-kind contributions with a balance of \$64,154 in the accompanying statement of revenues, expenses, and changes in net position.

2. SUMMARY OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES – Continued

Allocation of Costs

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of revenues, expenses and changes in net position. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Income Taxes

The Foundation is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code and California income taxes under section 23701(d) of the California Revenue and Taxation Code. The IRS classified the organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

The Foundation has evaluated its tax positions and the certainty as to whether those tax positions will be sustained in the event of an audit by taxing authorities at the federal and state levels. The primary tax positions evaluated are related to the Foundation's continued qualification as a tax-exempt organization and whether there is unrelated business income activities conducted that would be taxable. Management has determined that all income tax positions will more likely than not be sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required.

The Foundation's Forms 990, *Return of Organization Exempt from Income Tax*, for each of the tax years ended June 30, 2018, 2017, 2016, are subject to examination by the IRS, generally for 3 years after they were filed.

Estimates

The preparation of these financial statements requires management to make estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets, liabilities, revenues and expenses, as well as the disclosure of contingent assets and liabilities. Actual results could differ from those estimates. Management also determines the accounting principles to be used in the preparation of the financial statements.

Comparative Totals

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Foundation's financial statements for the year ended June 30, 2018 from which the summarized information was derived.

2. SUMMARY OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES – Continued

Fair Value Measurements

The Foundation reports its fair value measures using a three-level hierarchy that prioritizes the inputs used to measure fair value in accordance with GASB 72, *Fair Value Measurement and Application*. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal or most advantageous market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset or liability including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability based on the best information available. GASB 72 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy, established by GAAP, requires that entities maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The three levels of inputs used to measure fair value are as follows:

- *Level 1* - Quoted prices for identical assets or liabilities in active markets to which the Foundation has access on the measurement date.
- *Level 2* - Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 inputs include:
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets in markets that are not active;
 - observable inputs other than quoted prices for the asset or liability (for example, interest rates and yield curves); and
 - inputs derived principally from, or corroborated by, observable market data by correlation or by other means.
- *Level 3* - Unobservable inputs for the asset or liability. Unobservable inputs should be used to measure the fair value to the extent that observable inputs are not available.

The carrying amounts of cash and cash equivalents and accounts receivable approximate fair value because of the terms and relatively short maturity of these financial instruments.

The carrying amounts of liabilities, approximate fair value because of the relatively short maturity of these financial instruments.

When available, the Foundation measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

CALIFORNIA STATE UNIVERSITY, CHANNEL ISLANDS FOUNDATION
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2019
(CONTINUED)

3. CASH AND CASH EQUIVALENTS

The Foundation's cash and cash equivalents as of June 30, 2019 are classified in the accompanying statement of net position as follows:

Cash and cash equivalents	\$ 1,358,519
Restricted cash and cash equivalents	<u>6,711,791</u>
Total cash and cash equivalents	<u>\$ 8,070,310</u>

(a) Cash and Cash Equivalents

At June 30, 2019, cash and cash equivalents consisted of demand deposits maintained at the bank. Total cash and cash equivalents of \$8,070,310 had a corresponding carrying value balance with the bank of \$8,067,604 at June 30, 2019. The difference is related primarily to outstanding checks in the amount of \$42,794 and deposits in transit of \$45,500.

(b) Custodial Credit Risk for Deposits

Custodial credit risk for deposits is the risk that the Foundation will not be able to recover deposits or will not be able to recover collateral securities that are in possession of an outside party. The California Government Code and Education Code do not contain legal or policy requirements that would limit the exposure to custodial credit risk for deposits, other than the provision that a financial institution must secure deposits made by state or local governmental units by pledging securities in an undivided collateral pool held by a depository regulated under state law. This risk is mitigated in that the Foundation's deposits are maintained at financial institutions that are fully insured or collateralized as required by state law.

4. RELATED PARTY TRANSACTIONS

The Foundation has entered into certain transactions with the Campus and recognized auxiliary organizations of the Campus relating primarily to payroll reimbursement and commercial food services. The accompanying financial statements include all such transactions for the year ended June 30, 2019:

Related party receivables consist of the following:

	<u>June 30, 2019</u>
Associated Students of California State University Channel Islands, Inc.	\$ 591
California State University, Channel Islands	<u>746,043</u>
Total	<u>\$ 746,634</u>

Related party payables consist of the following:

	<u>June 30, 2019</u>
California State University, Channel Islands	\$ 56,895
CI University Auxiliary Services, Inc.	<u>2,032</u>
Total	<u>\$ 58,927</u>

5. PLEDGES RECEIVABLE, NET

Pledges receivable are measured using market prices and are stated at fair value. Pledges receivable at June 30, 2019 are as follows:

Less than one year	\$ 570,403
Less discount to present value	<u>(41,531)</u>
Net, pledges receivable - current	<u>\$ 528,872</u>
One to five years	\$ 145,306
Less discount to present value	<u>(27,783)</u>
Net, pledges receivable – non-current	<u>\$ 117,523</u>
Total net, pledges receivable	<u>\$ 646,395</u>

The unamortized discount is based on a risk free rate and additional market risk factor in total 4.4%. In management’s opinion, all pledges receivables were collectible at June 30, 2019 and therefore no allowance has been established.

6. RESTRICTED CASH AND INVESTMENTS

Restricted cash and investments have a combined total of \$18,644,804 at June 30, 2019. Restricted cash as of June 30, 2019 consist of the following:

	Level 1
Cash restricted for endowments	\$ 2,179,578

Restricted investments as of June 30, 2019 consist of the following:

	Level 1
Fixed income intermediate term investments	\$ 1,915,809
Equity funds	308,432
Mutual funds	216,869
Endowment investments:	
Balanced Funds	677,732
Equity funds	10,080,423
Fixed income securities	3,265,961
Total endowment investments	
Total restricted investments	14,024,116
	\$ 16,465,226

At June 30, 2019, the Foundation does not have any investments measured using Level 2 or Level 3 inputs.

Investment Policy

The Foundation’s investment policy (the Policy) sets forth the guidelines for the investment of all endowments funds of the Foundation. As a general rule, the Policy conforms to the Prudent Investor guidelines Investor guidelines widely used in the investment management industry, the guidelines of Uniform Management of Association for CFA Institute (formerly AIMR), the professional standards established by the Uniform Prudent Management of Institutional Funds Act and the general fiduciary standards described in the Uniform Investment Act.

The long-term investment objective of the policy is to preserve the endowment funds’ capital, protect the purchasing power of the endowment funds and provide cash flows to assist in the funding of the Foundation’s spending goals. With this in mind, the portfolio shall be invested to provide safety through diversification in a portfolio of common, stocks, bonds, cash equivalents and other investments, all of which may reflect varying rates of returns. The return objective will be to outperform the Higher Education Price Index (HEPI) plus 5%.

**CALIFORNIA STATE UNIVERSITY, CHANNEL ISLANDS FOUNDATION
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2019**

6. RESTRICTED CASH AND INVESTMENTS - Continued

Interest Rate Risk

Interest rate risk is the risk that the changes in market interest rates will adversely affect the fair value of an investment. In accordance with the Policy, the Foundation manages the risk of market value fluctuations due to overall changes in general levels of interest rates by limiting its average maturity of investments within the portfolios.

Credit Risk

Fixed income securities are subject to credit risk, which is the risk that a bond issuer will fail to pay interest or principal in a timely manner, or that negative perceptions of the issuer's ability to make these payments will cause security prices to decline. The circumstances may arise due to a variety of factors, such as financial weakness, bankruptcy, litigation and/or adverse political developments. A bond's credit quality is an assessment of the issuer's ability to pay interest on a bond and ultimately, to pay the principal. Credit quality is evaluated by one of the independent bond rating agencies such as Moody's Investors Service or Standard & Poor's. The lower the rating, the greater the chance that the bond issuer will default or fail to meet its payment obligations. Generally, the lower the bond's credit rating, the higher the yield should be to compensate for the additional risk.

Certain fixed income securities, including obligations of the U.S. Government or those explicitly guaranteed by the U.S. government, are not considered to have risk.

The credit risk profile for fixed income securities at June 30, is as follows:

<u>Fixed Income Securities</u>	<u>2019</u>	<u>Average Credit Rating</u>
U.S. intermediate term bonds	\$ 543,934	AAA-BBB
U.S. intermediate term bonds	<u>726,857</u>	AAA-BBB
	1,270,791	
U.S. intermediate term note	<u>\$ 270,000</u>	
	270,000	
Global intermediate term bonds	<u>\$ 200,540</u>	
	200,540	
U.S. short term bonds	\$ 398,146	
U.S. short term bonds	<u>1,915,809</u>	AA+-A-
	<u>2,313,954</u>	
Total fixed income securities	<u>\$ 4,055,286</u>	

CALIFORNIA STATE UNIVERSITY, CHANNEL ISLANDS FOUNDATION
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2019
(CONTINUED)

7. INVESTMENTS

The Foundation measures fair value in accordance with GASB 72, *Fair Value Measurement and Application*. GASB 72 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels; Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs, other than the quoted prices in active markets, are observable either directly or indirectly, and Level 3 unobservable inputs in which there is little or no market data, which requires the Foundation to develop its own assumptions. The Foundation uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Foundation measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. Assets reported at fair value at June 30, 2019, are Level 1 inputs.

Investments consist of the following at June 30, 2019:

	Fair Value Measurements Using				Total
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Net Asset Value (NAV)	
Corporate bonds	\$ 5,171,304	\$ -	\$ -	\$ -	\$ 5,171,304
Mutual funds	937,551	-	-	-	937,551
Municipal bonds	720,683	-	-	-	720,683
Equity securities	<u>10,356,371</u>	-	-	-	<u>10,536,371</u>
Total investments	<u>\$ 17,185,909</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$17,185,909</u>

At June 30, 2019, the Foundation did not have any investments measured using Level 2 or Level 3 inputs.

The composition of the investment return reported in the statement of activities as follows:

Interest and dividend income	\$ 488,106
Realized and unrealized gain (loss) on investments	<u>441,482</u>
Total investment return	<u>\$ 929,588</u>

Concentration Credit Risk

The Policy of the Foundation contains certain limitations on the amount that can be invested in any one issuer and is listed in the table above. The Foundation did not have any investments in any other issuer (other than U.S Treasury securities, mutual funds and external investment pools) that represents 24.5% percent or more of the Foundation's total investments as of the year ended June 30, 2019.

**CALIFORNIA STATE UNIVERSITY, CHANNEL ISLANDS FOUNDATION
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2019**

7. INVESTMENTS - Continued

Custodial Credit Risk

Custodial credit risk for investment deposits is the risk that the Foundation will not be able to recover its deposits in the event of a failure of a depository institution. In the ordinary course of the Foundation's operations, deposit balances in checking accounts can exceed the Federal Deposit Insurance Corporation insured limits. In accordance with the Foundation's investment policy, all certificates of deposit are FDIC-insured and limited to \$250,000 at any one institution.

Custodial credit risk for investments is the risk that if the counterparty to an investment transaction were to fail, the Foundation would not be able to recover its investment. With respect to investments, custodial credit risk generally applies only to direct investments in marketable securities. Custodial credit risk does not apply to indirect investment in securities through the use of mutual funds and government investment pools. U.S. Treasury issues and Federally Sponsored Enterprise issues are held by Securities Investor Protection Corporation insured brokers and are not registered with the issuer in the Foundation's name.

8. LIABILITY TO BENEFICIARIES

Long term liability activity for the year ended at June 30, 2019 consisted of the following:

	Beginning Balance as of July 1, 2018	Additions	Reductions	Ending Balance as of June 30, 2019
Liability to Beneficiaries Total	<u>\$ 188,560</u>	<u>\$ 51,329</u>	<u>\$ (61,521)</u>	<u>\$ 178,368</u>

Liability to Beneficiaries consists of a Charitable Remainder Trust net of discount to present value which provides for payments to the beneficiary as defined with the remainder reverting to the Foundation at maturity.

9. CLASSIFICATION OF OPERATING EXPENSES

The University has elected to report operating expenses by functional classification in the statements of revenues, expenses, and changes in net position, but to provide the natural classification of those expenses as an additional disclosure. For the year ended June 30, 2019, operating expenses by natural classification consisted of the following:

	<u>Salaries</u>	<u>Benefits</u>	<u>Fellowships</u>	<u>Other Services</u>	<u>Depreciation</u>	<u>Total</u>
Instruction	\$ -	\$ -	\$ -	\$ 551,284	\$ -	\$ 551,284

Total	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 618,384</u>	<u>\$2,005,319</u>	<u>\$ -</u>	<u>\$2,623,704</u>

10. TRANSACTIONS WITH RELATED PARTIES

As discussed in Note 1, the Foundation operates under an agreement with the Trustees as an auxiliary organization of the University. Accordingly, essentially all revenues, and realization of certain position, are dependent upon the continuation of this agreement.

The accompanying financial statements also include the following transactions with the University and other related parties as of and for the year ended June 30, 2019:

Payments to University for salaries of University personnel working on contracts, grants, and other programs	\$ 691,267
Payments to University for other than salaries of University personnel	1,991,363
Accounts (payable to) University	(56,895)
Accounts receivable from University	746,043

11. SUBSEQUENT EVENTS

The Foundation has evaluated events subsequent to June 30, 2019, to assess the need for potential recognition or disclosure in the financial statements. Such events were evaluated through September 16, 2019, the date the financial statements were available to be issued. Events occurring after that date have not been evaluated to determine whether a change in the financial statements would be required. Based upon this evaluation, it was determined that no subsequent events occurred that require recognition or additional disclosure in the financial statements.
