

ENDOWMENT INVESTMENT SUMMARY FOR Q1 ENDING MARCH 31, 2014

INVESTMENT PHILOSOPHY

The purpose of this statement is to establish clear investment policies and objectives of managing assets that the Board of Directors can understand, the Finance Committee can use as a goal to monitor against, and the California State University Channel Islands Foundation's (CSUCIF) investment manager(s) can use for guidance. This statement is flexible to allow for changing economic conditions and dynamic securities markets, for evaluating investment performance, and policy procedures.

The objective is to promote growth in the investment funds sufficient to offset normal inflation as measured by the Higher Education Price Index (HEPI) plus reasonable spending, thereby preserving the constant-dollar for future generations, and principal of operating cash and reserves while producing market-level income. The minimum total-return objective for the Permanently Restricted Endowment Net asset class shall be HEPI plus 5%. This investment policy will be submitted to the Foundation's Board of Directors periodically for review and recommended changes. Review times will be determined and at a minimum shall be once every three (3) years. **

Asset Allocation Policy as defined by the Finance and Investment Committee

\$11,465,705 as of March 31, 2014

**Endowment Performance *
For period ending Mar. 31, 2014**

INVESTMENT MANAGERS

To ensure impartiality, it is the policy of the CI Foundation that no member of the Finance and Investment Committee manage any part of the asset allocation or receive any compensation for advice.

RECENT FINANCE COMMITTEE ACTIONS

Q1-2014

Beacon Pointe presented the March 31st portfolio for the Committee's review, and then provided asset re-allocation recommendations.

Q4-2013

The Committee moved forward with their selection of an investment consultant advisor, choosing Beacon Pointe Advisors. In December the firm met with members of the Committee, with topics of discussion ranging from asset allocation and risk tolerance to frequency of investment policy review. A follow-up meeting, which will further address these topics and others, is planned for Q1-2014.

Q3-2013

The Committee agreed to issue a request for proposal (RFP) for a management consultant service for the investment portfolio, with the intent to make a recommendation to the Foundation Executive Committee prior to year's end. The final version of the revised Investment Policy statement was approved, and provided to the Executive Committee. Future Finance Committee meetings will be held quarterly, just prior to the Foundation Board meeting.

Q2-2013

During the second quarter, the Finance Committee recommended 4% endowment spending rate, a conservative figure based on market conditions. Through June 30, 2013, the portfolio reflected a YTD return of 4.4%. The Investment Policy Statement was revised and approved, and can be found at: <http://www.csuci.edu/impact/ci-foundation/>
