

ENDOWMENT INVESTMENT SUMMARY FOR QUARTER ENDING MARCH 31, 2015

INVESTMENT PHILOSOPHY

The purpose of this statement is to establish clear investment policies and objectives of managing assets that the Board of Directors can understand, the Finance Committee can use as a goal to monitor against, and the California State University Channel Islands Foundation's (CSUCIF) investment manager(s) can use for guidance. This statement is flexible to allow for changing economic conditions and dynamic securities markets, for evaluating investment performance, and policy procedures.

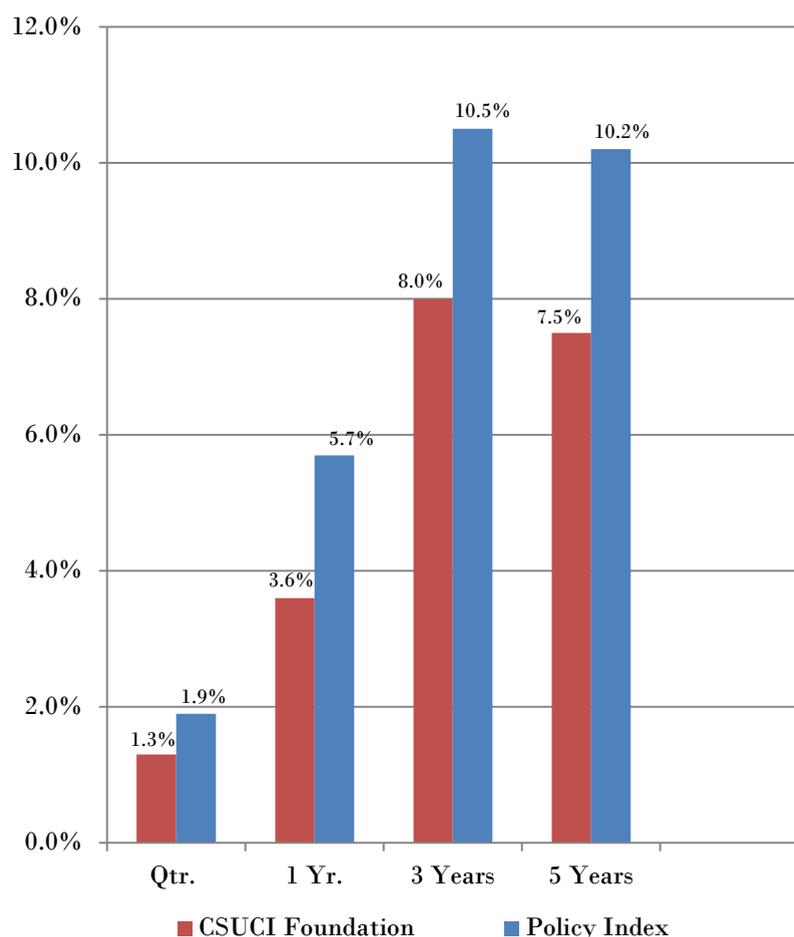

The objective is to promote growth in the investment funds sufficient to offset normal inflation as measured by the Higher Education Price Index (HEPI) plus reasonable spending, thereby preserving the constant-dollar for future generations, and principal of operating cash and reserves while producing market-level income. The minimum total-return objective for the Permanently Restricted Endowment Net asset class shall be HEPI plus 5%. This investment policy will be submitted to the Foundation's Board of Directors periodically for review and recommended changes. Review times will be determined and at a minimum shall be once every three (3) years. **

RECENT FINANCE COMMITTEE ACTIONS

Q1-2015

The first meeting of the new year took place on January 21. Upon review of the Foundation portfolio's asset allocation, portfolio advisors Beacon Pointe noted that all areas are within Investment Policy ranges. The Lagomarsino CRAT update was presented by Rabobank's senior portfolio manager, and he informed the Committee that its asset allocation has been consistent over time.

Q4-2014

During the Nov. 21, 2014 Finance Committee meeting, portfolio advisors Beacon Pointe advised the Committee to continue its current asset allocation in international equities, despite its recent downturn. Approximately \$1.6m of the Martin V. Smith endowment was transitioned to an endowment fund pool, which will potentially create a greater return on investment.

Q3-2014

As of June 30, 2014 the portfolio's value was \$11,754,429, showing an annual rate of return of 7.2% since inception in 2002. The policy index during this same time frame was 8.1%. The portfolio is transitioning to the previously recommended and approved manager replacements.

Q2-2014

For the three month period ending March 31st, the portfolio returns reflected a 1.1% gain versus the policy index of 1.8%. One year returns are at 13% versus a policy index of 14.9%. The Lagomarsino CRAT has shown a gain of 1.3% during the past three months versus a benchmark of 2.1%; fiscal year-to-date returns reflect a gain of 12.4% versus a benchmark of 12.3%. fiscal year-to-date returns reflect a gain of 12.4% versus a benchmark of 12.3%.

Q1-2014

Investment advisors representing Beacon Pointe recommended minor revisions to the asset allocation mix to better reflect Investment Policy guidelines, to which the Finance Committee agreed.
