

# Peace Corps Prep Program Launch

Learn about joining a community of like-minded students interested in international service and earning a certificate from the Peace Corps that will prepare you for the Peace Corps application process. The PC Prep experience goes beyond the Peace Corps, preparing you for global, national, and even local careers in service, education, business, health, and intercultural relations.

Come hear from CSUCI alumni who have served, our regional Peace Corps recruiter Dr. Sakeena Ali, and PC Prep Program Coordinators Dr. Andrea Grove and Dr. Chris Scholl.

Peace Corps Prep at CSUCI:
