2.1.1 Considerations

Enrollment appointments are based on the values defined in the Session Time Periods setup page. (Design Student Administration, Design Academic Structure, Setup, Term/Session Table, Session Time Periods)

2.1.2 Recommendation

2.2 Enroll in a Class

Students can use the Enroll in a Class self-service pages to add classes, drop classes, or swap classes for a term. While students perform their enrollment transaction, they can search the schedule of classes for the class they want, seeing beforehand whether the class is open for enrollment or full. After students submit their enrollment request, the system lets them know whether they have successfully completed the transaction. If so, students can view their revised class schedule. If not, students can view the reason for the enrollment error. For example, perhaps the student is trying to add a class and has not yet taken the course prerequisites.

Navigation: [SA Self Service](#), [Learner Services](#), [Academics](#), [Enroll in a Class](#)

The screenshot shows the 'Enrollment' page with the heading 'Select Enrollment Term'. Below the heading, it says 'Student Test' and 'You are eligible to view and/or modify enrollment information for the terms listed below. Click the appropriate Term to do so.' There is a table with three columns: Term, Academic Career, and Institution. The table lists three terms: Fall 2003, Spring 2003, and Fall 2002, all for Undergraduate students at Channel Islands. A 'Return to Academics' link is at the bottom.

Term	Academic Career	Institution
Fall 2003	Undergraduate	Channel Islands
Spring 2003	Undergraduate	Channel Islands
Fall 2002	Undergraduate	Channel Islands

The screenshot shows the 'View My Class Schedule' page for Fall 2003. It displays 'Student Test' as 'Undergraduate' and 'Channel Islands'. Below this is a table for class ACCT 210 (Class 1048). The table has columns for Section, Component, Description, Grading Option, Grade, Units, and Status. The section is 001, a Lecture, titled 'FINANCIAL ACCOUNTING', graded, with 3.00 units and an 'Enrolled' status. The schedule is 9:30AM to 10:45AM on Tues-Thurs. The location is TBA and the dates are 08/25/2003 to 12/19/2003. The instructor is 'Test, Faculty Self Service'. At the bottom, there are links: 'Go to: Add Classes', 'Drop/Update Classes', 'Swap Classes', and 'Return to Term Search'. The 'Add Classes' link is highlighted with a red box.

ACCT 210	Section	Component	Description	Grading Option	Grade	Units	Status
Class: 1048	001	Lecture	FINANCIAL ACCOUNTING	Graded		3.00	Enrolled
	9:30AM	10:45AM	Tues-Thurs		Location: TBA	08/25/2003 - 12/19/2003	
			Instructor:	Test, Faculty Self Service			

2.2.1 Considerations

The system displays the terms in which students are active, provided that you have selected to show the term in self-service. Select to show a term in self-service on the Term Table page of the Term/Session Table component. Students select the term within the academic career and institution for which they want to submit an enrollment request. The system displays the Enrollment — View My Class Schedule page, which shows the class schedule for the selection and provides links to enrollment processing functionality.

Select the **Add Classes** hyperlink to add another class.

2.3 View My Class Schedule

Students can use this page (shown as View My Class Schedule) to view their class schedule for a term. If the student accesses the page through the Enroll in a Class menu item, the student can select to add, drop, swap, or change class enrollments. Advisors can use this page (shown as Student Study List) to view an advisee's class schedule for a term.
