COMMENCEMENT

CALIFORNIA STATE UNIVERSITY CHANNEL ISLANDS

May 20-21, 2023

**Candidates for Master's Degrees
Candidates for Credentials and Certificates
Candidates for Baccalaureate Degrees**

Participation in Commencement may not represent completion of all degree requirements by May 21, 2023.

MISSION STATEMENT

Placing students at the center of the educational experience, California State University Channel Islands (CSUCI) provides undergraduate and graduate education that facilitates learning within and across disciplines through integrative approaches, emphasizes experiential and service learning, and graduates students with multicultural and international perspectives.

MISSION-BASED LEARNING OUTCOMES

CSUCI graduates will possess an education of sufficient breadth and depth to appreciate and interpret the natural, social and aesthetic worlds and to address the highly complex issues facing societies.

Graduates will be able to:

- Identify and describe the modern world and issues facing societies from multiple perspectives including those within and across disciplines, cultures and nations (when appropriate).
- Analyze issues, and develop and convey to others solutions to problems using the methodologies, tools and techniques of an academic discipline.

UNIVERSITY MASCOT

A petition was presented to CSUCI by local Chumash leaders that the dolphin be the University's official mascot to reflect the Chumash origin legend of dolphins leading the Chumash people from the Channel Islands to the mainland. CSUCI officially adopted the dolphin as its mascot in March 1999.

In spring 2012 Student Government held an election to name our mascot and "Ekho" was selected. The name was selected due to echolocation abilities that dolphins possess and because it represents the student voice. The spelling of "Ekho" was selected as unique to our dolphin mascot.

UNIVERSITY COLORS

The school colors of CSUCI are red and silver. The red is consistent with the tradition of the region, and the silver is for the dolphin, the University mascot.

PRESIDENT'S MEDALLION

The Presidential Medallion is conferred on the President by the Chancellor of the California State University system as a symbol of the authority and responsibility of the office and is worn by the President with academic regalia at official functions.

The Presidential Medallion is a silver disk engraved with the University seal. The seal includes an image of the Bell Tower in the forefront with a rising sun in the background. The Bell Tower is an important symbol for the campus and serves a function like bell towers around the world—as a community center. The rising sun behind the Bell Tower signifies the birth of the University, with the light of knowledge and warmth of engagement emanating from the University.

THE UNIVERSITY MACE

The CSU Channel Islands Mace represents the authority of the University at official and ceremonial functions for the lifetime of the institution and is carried by the Chief University Marshal. Designed and crafted by renowned artists David Elder and Linda Elder of Ventura County, the Mace is an important symbol of the University and its design reflects the spirit of the campus. The staff is carved from native walnut, signifying the growth of the University on California soil, which had been the land of the Chumash peoples before California existed.

On each of the four sides of the bronze finial is a carved medallion; these are the University's seal, the California State University seal, an atom, and the book of knowledge. The latter two signify scholarship, research, and service to humanity. At the pinnacle of the mace, two dolphins dance in the waves, symbolizing the campus' proximity to the Pacific Ocean, the richness of its marine life and the learning opportunities it provides, and the selection of the dolphin as our campus mascot.

COMMENCEMENT TRADITIONS

CSUCI celebrates a number of commencement traditions, including:

- The striking of a Navy ship bell is bestowed upon an honored staff member of the campus community, and symbolizes the official opening of the commencement ceremony;
- A blessing provided by a Chumash leader signals our recognition of building on the knowledge base of the indigenous people who first inhabited this area;
- The graduates' passage through an arch symbolizes the completion of their degrees and entry into a new phase of their lives. The commencement arch was gifted to the University from the Class of 2004. It was inspired by the Chumash "rainbow bridge" as well as iconography from Ventura County's rich past. The rainbow at the bottom and the acorns symbolize the Chumash people, the oranges and strawberries symbolize our rich agricultural heritage;
- The Light of Learning symbolizes the University's commitment to a life of the mind and the central role played by our outstanding faculty. The Honorary Marshal who carries the Light of Learning is selected by the President as an administrator or faculty member who has demonstrated an extraordinary commitment to our students and the University;
- A welcome greeting in a second language symbolizes the University's mission to graduate students with multicultural and international perspectives;
- The sounding of the mission bells as the last candidate has crossed the platform signifies the completion of the degree candidate conferral process.

BACHELOR'S GOWNS

Traditional bachelor's gowns are black, fall to just above the ankle, feature a pleated yoke and twin front fabric panels, and have straight-bottomed sleeves. The gown is designed to be worn closed.

MASTER'S GOWNS

Master's gowns are black and have closed, oblong sleeves, open at the wrist. The gown may be worn open or closed. The master's hood is 3.5 feet in length and the velvet trim reflects the recipient's discipline and is three inches wide.

COLORS OF TASSELS AND HOODS

The following colors are associated with the degrees frequently represented in academic processions:

Architecture: Violet
Arts, Letters and Humanities: White
Business: Light Brown
Economics: Copper
Education: Light Blue
Engineering: Orange
Fine Arts: Deep Brown
Law: Purple
Library Science: Lemon
Medicine: Green
Music: Pink
Nursing: Apricot
Philosophy: Dark Blue
Physical Education: Sage Green
Science: Golden Yellow
Speech: Silver Gray
Theology: Scarlet

HONORS APPAREL

The primary honor that is being recognized at Commencement is the successful completion of an approved academic course of study leading to a Certificate or Degree. The wearing of the cap and gown signifies this accomplishment.

The following additional apparel is recognized as Honors Apparel to be worn at the CSUCI Commencement:

- The Presidential Medallion signifying Summa Cum Laude honors;
- A red and silver double cord signifying Magna Cum Laude honors;
- A red cord signifying Cum Laude honors;
- The President's Scholars medallion signifying the most prestigious class of University undergraduate students who have demonstrated exemplary academic, leadership, and service accomplishments;

INTERIM CHANCELLOR OF THE CALIFORNIA STATE UNIVERSITY

A MESSAGE FROM CALIFORNIA STATE UNIVERSITY INTERIM CHANCELLOR JOLENE KOESTER

Dear Class of 2023:

I offer you my most enthusiastic and heartfelt congratulations on achieving this consequential milestone on the journey of a lifetime.

Today, we celebrate you – and all the hard work, perseverance and scholarship that brought you here. You will undoubtedly look back on this occasion for many years to come, filled with a well-earned sense of pride in your accomplishments – and maybe even a sense of relief for attaining a goal that, at times, might have felt more than a little daunting.

As numerous forces upended our world, you held firmly onto your dreams and persisted in your studies through challenges none of us could have foreseen or imagined. You have by necessity developed and demonstrated skills – far beyond your academic work – that will ensure your continued success: resilience, flexibility, resourcefulness, patience and tenacity. Your resolve shines brightly as a symbol of hope and optimism. It is admirable. And it is inspiring.

Of course, you did not make this journey alone. We also recognize the faculty who deepened your knowledge and enabled you to see the world from new perspectives. We acknowledge the counselors, tutors, advisors, librarians, coaches and support staff who championed you at every turn. And we appreciate the family, friends and loved ones who encouraged you, uplifted you and supported you along the way. Please remember to thank these important people and let them know how much their support means.

This celebration marks a new beginning for you – a time to commence a new life, filled with opportunities and prospects made possible by your degree from the California State University.

With this rite of passage we call “commencement,” you will join a dynamic, global network of more than 4 million CSU alumni. They are a remarkable force for good, and I am certain your addition to their ranks will multiply their contributions to our communities, to our state and to the world. I ask that – in the Cal State spirit – you use the knowledge, skills and personal qualities you have developed to work for justice, seek opportunities to foster equity and always uplift and empower others. Stay connected to your campus and look for ways to give back. And whenever possible, support future generations who aspire to follow in your footsteps.

On behalf of the entire California State University, again, congratulations.

Sincerely,

Jolene Koester
Interim Chancellor

HONORARY DOCTOR OF HUMANE LETTERS

HANNAH-BETH JACKSON

Hannah-Beth Jackson served as Senator in the California State Legislature, representing the people of Ventura County from 2012 to 2020. During her time as Senator, she championed equitable education reform and legislation to protect the environment. In her career as an attorney, she helped create the Santa Barbara Women's Political Committee.

Ms. Jackson consistently engaged with Student Government at CSUCI, attending meetings and events, being receptive to their needs, and elevating their voices. For the graduating class of 2020, Ms. Jackson spoke at the virtual Veterans Medallion Ceremony encouraging the veteran graduates during a difficult year. She also participated in the Student Government's Ballot Bowls initiative, attending events to help register students to vote.

Ms. Jackson has been a supporter of the University even before its creation. In 2001 she co-authored Senate Bill 323 which allowed for 75 acres of land adjacent to the campus to be traded for 117 acres of land approximately 20 miles away from what is now CSUCI that was owned by the state. These 75 acres provided room for a better entrance and roadway to the campus. She participated during the opening ceremony of CSUCI and was among the leaders who helped guide the University toward being a green campus; she was serving as chair of the Assembly Committee on Natural Resources at the time.

HONORARY DOCTOR OF HUMANE LETTERS

CARMEN RAMIREZ

Carmen Ramirez, who passed away in August 2022, dedicated her career to positively impacting Ventura County through her service as a regional leader—most recently representing District 5 as a member of the Ventura County Board of Supervisors. She was champion for the environment, a role model for Latinas, and is one of the reasons CSUCI exists today.

Ms. Ramirez served on CSUCI's Site Authority Board and was actively involved in events and volunteer opportunities as she engaged with the faculty, staff, and students of CSU Channel Islands. Ms. Ramirez helped support the creation of the Chicana/o Studies program at CSUCI, advocating for support of the developing program as it was created. She attended many open houses, exhibits, lectures, and ceremonies in support of the Chicana/o Studies Program.

Before the campus existed, Ramirez advocated for the creation of the University in Sacramento, calling legislators to gain funding to support the creation of this campus. At the time, Ms. Ramirez served as a member of the CSUCI's President's Advisory Board while working as an attorney in the region. She participated in the opening ceremony for the campus saying, "We strengthen our society when education is available to all of us."
