

Questions to ask organizations at a Volunteer Fair:

- What services do you provide? Who do you serve?
- Do you have a strategic plan? What are your most recent goals?
- What are some obstacles you are attempting to overcome if any?
- What experience does someone need before volunteering?
- How do you support your volunteers and staff?
- What is the time commitment for a volunteer?
- What makes your organization different from other organizations similar to yours?
- What do people like the most about volunteering here?
- What are your most urgent needs?
- Are there any challenges that volunteers face while volunteering?
